Strange Brew by John Deering

Horoscope by Joyce Jillson

TODAY'S BIRTHDAY (October 22). You do what you please this year and, as a result, have one of your most satisfying years to date! Take excellent care of yourself, and educate yourself well through November and December -- what you learn could make you rich! New influences waltz into your life in February, and one of these attractive people could change your life forever! Your lucky numbers are: 36, 19, 28, 50 and 14.**ARIES** (March 21-April 19). Stay focused on what's in the realm of now instead of worrying about what will likely never happen. The news media, scary Internet spam and stories from friends could cause a vague sense of dread. Who needs it?**TAURUS** (April 20-May 20). It's fun and good times from the moment you open your eyes, and what's even better is you're the life of the party. It seems that no matter what you choose to do, you'll turn it into a game or an adventure.**GEMINI** (May 21-June 21). You're self-directed and will become easily agitated by anyone who challenges your position. With a smile and a nod, you ward off bossy people -- don't they know that if anyone is the boss, it's you?**CANCER** (June 22-July 22). Building your wealth has much to do with building your network now. But don't let the idea overwhelm you. Start small -- one or two new contacts are enough to get you going in a better financial direction.**LEO** (July 23-Aug. 22). Though you're full of energy and would love to rush into new activities, friendships and jobs, it's better to use finesse. Come on slowly. Remember that many worthwhile pursuits and people take time to get to know.**VIRGO** (Aug. 23-Sept. 22). You'll be the one to organize things. Being the insti-

gator gives you a chance to express yourself creatively and also to be well thought of by others as someone who can step up and take the heat!

LIBRA (Sept. 23-Oct. 23). Relationships don't always go according to plan, so you've got to be flexible. Anticipated events may not work out -- for no good reason. It's just the way things go. Don't give much thought to these bumps in the road.**SCORPIO** (Oct. 24-Nov. 21). You could be cynical, but it takes so much energy. And in the end, what harm does it do when someone believes things that you do not? Let others have their beliefs. Togetherness is more important than agreeing.**SAGITTARIUS** (Nov. 22-Dec. 21). Even though you're probably not concerned about adding anyone to your circle, you'll be attracting new people whether you want to or not. New folks will raise the bar in terms of what you can expect from your buddies.**CAPRICORN** (Dec. 22-Jan. 19). You care passionately about what happens to your loved ones. There's a fine line between getting involved and trying to control situations that are not best controlled by you. Give others as much autonomy as possible.**AQUARIUS** (Jan. 20-Feb. 18). Though it seems all will be sunk if you make the wrong decision, you actually have less to lose than you imagine. Go out on a limb. You'll be tempted to talk more than you need to, but there's not much to discuss.**PISCES** (Feb. 19-March 20). Gentle modifications in the way you talk to others will bring fascinating results. You'll find people are listening intently to you and asking more questions. There's an opportunity for gift giving. Try something simple, subtle and small.
