Horoscope by Joyce Jillson

TODAY'S BIRTHDAY (October 28). You are accepting of others and of yourself this year and will attract success that eluded you before -- you're no longer getting in your own way. People trust you and want you on their team. This makes finding lucrative work easy, and by January, you'll probably be doing something different for money. Romance is a breeze with an Aries or Cancer. Your lucky numbers are 11, 30, 52, 31 and 35.

ARIES (March 21-April 19). It's easy to get overwhelmed and caught up in what will soon come to pass. Give what is needed now, and let the future take care of itself. You'll be shaking things up as the day progresses.

TAURUS (April 20-May 20). Some people believe that you shouldn't try to change other people, but isn't change sort of the point? Otherwise, what are we learning from one another? You will be changed by interacting with powerful and interesting people.

GEMINI (May 21-June 21). You'll probably run into exactly the person you don't want to see. Life's little coincidences may seem unfair at the time, but later, you're glad for them. In general, you'll experience good luck by way of your reputation.

CANCER (June 22-July 22). There's a chance to start an old relationship in a fresh direction (whether it be your relationship with a person, money or work). Getting clear on guidelines and making new policies is favored. Religious beliefs bring special insight.

LEO (July 23-Aug. 22). There is one person in your realm who isn't looking for help so much as an excuse to push your buttons and create some drama -- a smoke screen for the real issues this person is going through. It's best to avoid this person.

VIRGO (Aug. 23-Sept. 22). You desire im-

mediate victory, even though common sense tells you that you've still got plenty of dues to pay. Every step in life comes with its own set of requirements that must be followed to get to the next step. Don't give up.

LIBRA (Sept. 23-Oct. 23). Listen before talking. Think before acting. If you follow these two rules, your day turns out fantastic, with lots of little surprising results. This is an excellent day to train people to handle details, gather information or manage more work.

SCORPIO (Oct. 24-Nov. 21). You'll have questions as to how much power to give up. Stand on principles instead of worrying about who has more authority. In love, be open-minded. Someone who can't make a commitment is still a lot of fun.

SAGITTARIUS (Nov. 22-Dec. 21). When boredom strikes, be willing to look at yourself in mirror; decide what it is you really want. You appreciate good intentions but shouldn't settle for less than you expect in a love relationship.

CAPRICORN (Dec. 22-Jan. 19). A limitation is ultimately what moves you to the next level. Focus on what makes you so special. Your domestic situation is shifting, becoming more calm and organized. Your patience will be appreciated in time.

AQUARIUS (Jan. 20-Feb. 18). It's fine to reinvent yourself for your own entertainment but never because someone doesn't accept you the way you are. Finish something big! Make the push across the finish line by calling those remote contacts.

PISCES (Feb. 19-March 20). Diligent work has gotten you this far, so continue in the same direction, even if so-called friends are tempting you to go off the path. One more day of attacking that to-do list will make a big difference.
