Strange Brew by John Deering

Horoscope by Joyce Jillson

TODAY'S BIRTHDAY (October 29). This will be your most fabulous year to date! You'll start by planning a trip somewhere you've always wanted to go. You'll wonder why you didn't do this sooner! Love connections grow stronger as you create more experiences with loved ones. Money in December gives you the means to do this. Love signs are Pisces and Taurus. Your lucky numbers are: 10, 24, 39, 18 and 36.

ARIES (March 21-April 19). You're ready to change the way you are seen in the eyes of the world. An emotional outburst might occur in the process, but it's nothing to avoid. This show of passion will actually help a relationship in the long run.

TAURUS (April 20-May 20). You don't have to think much to know what you're doing next. Instinct and desire take over, and before you know it, you're on your way to getting what you want. Impromptu gatherings will introduce you to love prospects.

GEMINI (May 21-June 21). It's super lucky to let the world know your plans. That may be all you have to do to get things rolling, as it's extremely easy to gather momentum with the stars on your side. Your sense of humor and manners win you fans.

CANCER (June 22-July 22). You'll analyze your feelings, eager to come to definitive conclusions—but there are no definite conclusions. Think of your current situation as a work in process instead. Educate yourself to keep up professionally.

LEO (July 23-Aug. 22). A child, parent or spouse is feeling needy right now. The problem is, so are you. Instead of trying to outdo one another to see who's got it worse, recognize that by giving your full attention to someone else, you are also helping yourself.

VIRGO (Aug. 23-Sept. 22). Changes in

workplace procedures could complicate your life. First, accept that this one is out of your hands. Someone much more higher up is making the decisions here. Make do as best you can, or find a new work situation.

LIBRA (Sept. 23-Oct. 23). Embrace your unique power, and everyone around you will benefit. Your vision and determination really can make the world a happier place. When the scales tip against you, regain balance by focusing on what makes you special.

SCORPIO (Oct. 24-Nov. 21). There's no sense getting angry with someone who didn't keep his or her word. What is anger going to accomplish for you, other than to add fuel to an already explosive situation? Just let it go. Forget that promise was ever made.

SAGITTARIUS (Nov. 22-Dec. 21). The heat is on. It seems like you've been waiting for this moment for months, maybe even years. You can dazzle with the best of 'em, so don't hold back. A higher-up is watching and secretly rooting for you.

CAPRICORN (Dec. 22-Jan. 19). Nobody cares if you can't dance well. Just get up and dance anyway. Where would we be now if Copernicus had been too afraid to tell the world that the sun was at the center of the solar system? Don't worry what others think.

AQUARIUS (Jan. 20-Feb. 18). Beware of strangers bearing gifts or news that seems too good to be true. There's more here than meets the eye. Also, be sure to set some boundaries with that overbearing co-worker.

PISCES (Feb. 19-March 20). You and loved ones need to reconnect on some common ground. Talk about the tough issues! Whether it's where to go on your next vacation or when to start a family, you need to be flexible and find a compromise.
