

Hollywood's Harrelson for legalized hemp

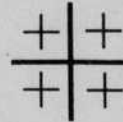

PHOTOS BY ERIK R. BISHOFF | PHOTOGRAPHER

Actor and activist Woody Harrelson signed autographs and posed for pictures with students Thursday afternoon near the Heart of Campus. He visited the University to promote OSPiRG, environmental issues and the legalization of marijuana. Several hundred people gathered in the EMU Amphitheater to hear him speak. He also promoted the documentary "Go Further," which played at the Bijou Art Cinenas.
