Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 5). Your intuition guides you into a pretty picture! Loved ones call you "lucky," and indeed, by this time next month, you've got the cash to prove it. Singles will find it much easier to finally break any bad relationship cycles they've fallen into. You will have learned from past mistakes and won't repeat them this time. Lucky love signs are Taurus and Libra. Your lucky numbers are: 3, 26, 47, 51 and 12.

ARIES (March 21-April 19). Something has been eating at you for weeks. It's time to put any self-doubts to rest on this subject. You're either happy with your current situation, or you're not. If you're not, fix it, or forget about it.

TAURUS (April 20-May 20). You are not responsible for anyone's happiness but your own -- not even the happiness of your children or spouse. Do what you can to be helpful, but ultimately, it's up to them to decide if the glass is half empty or half full.

GEMINI (May 21-June 21). You've got a really fun weekend ahead of you. To take full advantage, try to balance it out with equal parts rest and activity, mental and physical pursuits. Do try to include some sort of music or art component as well.

CANCER (June 22-July 22). Don't be an emotional doormat. It's nice to be open and welcoming, but sooner or later, you're going to resent people wiping their feet on you. If you feel like someone's taking you for granted, don't let it keep happening.

LEO (July 23-Aug. 22). Resist the urge to splurge this weekend. Instead, you should be conserving your resources. That means money, time and energy. Trust me, you're soon going to need as much as you can get. Stay home, and chill out.

VIRGO (Aug. 23-Sept. 22). When you're finished scrubbing the bathroom floor

and polishing the interior of your oven, stop to say hello to your spouse and children. You show your love by taking care of your environment, but use your words to share love, too.

LIBRA (Sept. 23-Oct. 23). Loneliness can be an opportunity. When you feel it, ask yourself if perhaps you're looking to others for approval and love, rather than looking inward. You are never truly alone. You're part of the very fiber of the universe.

SCORPIO (Oct. 24-Nov. 21). With a little more confidence, you can make a situation go your way. The worst thing you can do is get defensive. That stinger of yours is lethal, but this may be one of those fights where both sides lose.

SAGITTARIUS (Nov. 22-Dec. 21). Self-control is hard to come by now. Remember, you want people to take you seriously, so it's important to keep your word -- even to yourself. Doing otherwise sends mixed messages.

CAPRICORN (Dec. 22-Jan. 19). You know you're right, so you may butt heads with someone when you don't mean to. It's probably because he/she accidentally pushed your buttons and brought your insecurities to light. Show your strength by yielding.

AQUARIUS (Jan. 20-Feb. 18). If you are in the position to teach someone, don't hold back. Providing the tools for knowledge does not take anything away from you. On the contrary, the more selfless you are, the more you benefit.

PISCES (Feb. 19-March 20). That overactive imagination of yours is going in a million different directions at once, which may cause you to lose things -- your keys, your sunglasses, your wallet. Take charge. Enlist a Virgo pal for help.
