Strange Brew by John Deering

I'll BE ON THE THRONE.

DEERING © 2004 CREATIVE SYNDICATE, INC. www.creative.com 11-12

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 12). This will be a year of firsts -- first marriages for some of you and first children or grandchildren for others, particularly between the months of April and August. Some will travel to Europe for the first time. Others buy your first home or achieve something significant in your career, such as selling a first book. Lucky love signs are Cancer and Virgo. Your lucky numbers are: 4, 11, 52, 39 and 7.

ARIES (March 21-April 19). You're making up your own definition for the word "commitment." If you've been seeing someone special for a while, you may be thinking about tying the knot. Watch out for a Sagittarius or Leo who wants to hog the spotlight.

TAURUS (April 20-May 20). Make a declaration of independence. Relationships that are on shaky ground need someone to make the big decision -- why not you? If you happen to work from home, you can expect a nice bonus to hit your mailbox real soon.

GEMINI (May 21-June 21). Start your new exercise program. You'll have plenty of energy and motivation and no trouble finding a personal trainer or workout partner. Your creative life will especially benefit from being half of a dynamic duo.

CANCER (June 22-July 22). Relationships deepen as you get lucky in love now. You'll find new qualities to love and admire, and you can bet your counterpart adores the attention. Single crabs find the fish in the sea they were originally trying to catch!

LEO (July 23-Aug. 22). A sudden career change could rattle you temporarily, but you'll be back on your feet in no time. Chances are, your new situation will bring you more money and respect. The spotlight is on you -- are you ready for your close-up?

VIRGO (Aug. 23-Sept. 22). You get noticed on the job, and people ask for you by name. Positive reviews and excellent word of mouth put your services in demand, especially if you work in the arts. Remodeling or redecorating will be cosmically inspired.

LIBRA (Sept. 23-Oct. 23). Your daily routine is constantly changing, which is good since you get bored easily. At work, you're still trying to get into a comfortable groove. Talking to an earthy Taurus, Virgo or Capricorn pal will help keep you grounded.

SCORPIO (Oct. 24-Nov. 21). There is no better time to launch a new project than right now. You are an absolute dynamo, and everything you touch turns to gold. Even that hottie who seemed so out of your league just a few days ago is putty in your hands.

SAGITTARIUS (Nov. 22-Dec. 21). Your living arrangements are due for a change, and some long-distance traveling may be involved. Some of you inquire into a foreign exchange program or teach overseas. Your love of learning must be sated!

CAPRICORN (Dec. 22-Jan. 19). You're reassessing your commitments, as cosmic energy brings with it a renewed sense of purpose. You've accepted new responsibilities and are wondering now if you should have. Don't doubt your ability!

AQUARIUS (Jan. 20-Feb. 18). Work gets really hectic as the year-end push starts to take effect. Watch your health. All this rushing around and eating on the run is bound to take a toll on you. You would be wise to check your cholesterol.

PISCES (Feb. 19-March 20). Your deep and resonating need to help others and save the world is activated. With the universal gears shifting in your favor, you can combine your two loves and make a profit to boot!

Ready for a new car?

Sell your old one with an ad in the Oregon Daily Emerald. **Best rates in town!**

The New York Times Crossword Edited by Will Shortz No. 1001
