## Horoscope by Holiday Mathis

**TODAY'S BIRTHDAY** (November 15). You grab life by the horns this year! This month, final decisions are made on a long-term project. Rewards still seem distant, but by the first week of the new year, the flow of abundance opens up. Make sure you're using your talents in February. You'll meet love while in a giving cycle. Romantic exchanges are rich with Aquarius and Pisces. Your lucky numbers are: 10, 32, 49, 50 and 14.

**ARIES** (March 21-April 19). Bust out your old diary, dust off that guitar in your closet, and get into those boxed-away clothes. Memories inform you about who you are now. A sweet person from the past re-enters the scene. This time, don't lose touch!

**TAURUS** (April 20-May 20). Purchases from the Internet, wholesalers and discount stores are winners. It's not so much about the actual money you'll save. It's more that you get a sense of pride from realizing how financially capable you are!

**GEMINI** (May 21-June 21). Loved ones can play your heart like a harp, but don't let the angelic plucking disguise the fact that promises haven't exactly been kept. Instead of letting things slide, make a new agreement that can be more readily kept.

**CANCER** (June 22-July 22). Getting your needs met will save you from later trouble. Perhaps you're toying with someone's expectations, but you can't get yourself to stop. Consider what your real desire is. Once you know, it's satisfied in an instant.

**LEO** (July 23-Aug. 22). You're heady with a sense of empowerment. Down with outdated ways of doing things -- revolt! Your mind/body connection is strengthened, making it possible for you to heal yourself, control your weight or prevent headaches.

**VIRGO** (Aug. 23-Sept. 22). A stealth mission is featured. It's up to you to ferret out the key information and relay it to your team. Being well informed gives you the edge, but don't exclude your primal intuition, which will focus you right in on the hot button.

**LIBRA** (Sept. 23-Oct. 23). Hesitation is the enemy act now and now and now! Love won't wait! On a practical note, you can delegate more to specialists. Fix it yourself, and you'll likely break it further and watch your money swirl down the drain.

**SCORPIO** (Oct. 24-Nov. 21). You've got the answer to your identity issues, so trust yourself -- as Gavin DeGraw sings, "I'm tired of looking 'round rooms, wondering what I've got to do or who I'm supposed to be. I don't want to be anything other than me!"

**SAGITTARIUS** (Nov. 22-Dec. 21). You see your world through a romantic lens, fragrant breezes shifting shadowy clouds, sunset and fireflies, and suddenly, you're taking out the garbage. Real life can be such an interruption!

**CAPRICORN** (Dec. 22-Jan. 19). Your exquisite handling of prickly people earns you a reputation -- not that you want to be the go-to person for the world's most difficult personalities, but there are special privileges that reward your versatility.

**AQUARIUS** (Jan. 20-Feb. 18). Perfection is overrated. You're not Barbie or Ken (as the case may be) after all. Once you throw out the notion that appearances are more important than what is inside, "plastic" problems and people disappear from your life.

**PISCES** (Feb. 19-March 20). When you're with your special someone, time isn't present. There's no beginning and no end (so it's no wonder you forget to pay that bill or answer that call). Singles: Obsessing over your crush of the moment is a guilty pleasure!

## The New York Times Crossword
