Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 16). This year, you've dropped the need to be jaded, so, at times, you'll feel naive and vulnerable. Life will unfold for you as if you're seeing it for the first time. Romance is part of what makes this possible. Someone special makes your heart sing in the next three months. Make decisions about work in February. Love signs are Capricorn and Gemini. Your lucky numbers are: 9, 40, 25, 19 and 32.

ARIES (March 21-April 19). You cajole. You kid. You flatter and flirt. And still, you have no idea where you stand with that closed-off someone. Keep working on it. If anyone can melt through that layer of ancient ice, you can.

TAURUS (April 20-May 20). Sweeping changes dazzle you, but don't hang around stack-jawed for long. There's an opportunity in this, and you're just the one to take advantage of it! On a romantic note, be a bit more curious about a loved one's past.

GEMINI (May 21-June 21). You awake in a swingin' mood, like you've found your inner Austin Powers. Swanky sentiments get the attention of your target audience. Maybe you sing your message; maybe you dance it. However you do it, you do it with style.

CANCER (June 22-July 22). A juicy prize lands in your world, but unfortunately, everyone else wants it, too. It's like a soccer team for 5-year-olds. Everyone huddles around the ball instead of taking his or her position in the field. Your maturity prevails.

LEO (July 23-Aug. 22). You act out of a sense of honor, because it's right, and because you're a noble person. So what if nobody notices just yet? Don't worry! Someone will -- without prompting from you. Tonight, it's up to you to liven things up!

VIRGO (Aug. 23-Sept. 22). You'll have a one-on-one audience with an exalted individual --
