Strange Brew by John Deering

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 23). Love connections get even stronger this year, as you pursue your ambition with great passion. You simply won't quit, and that makes you attractive to people who would like to help you. A financial opportunity opens up in January. You may feel undecided about what to do until a new person shows up in February who dictates a course of action. Your lucky numbers are: 6, 40, 22, 19 and 35.

ARIES (March 21-April 19). A step on the stairway of learning is featured. Make sure you understand the changing responsibilities that come your way, preferably before you agree to them! Realistic budgeting now will allow you to travel later.

TAURUS (April 20-May 20). A principle of economics called Stein's Law may help you process the madness that is your life today: "Things that can't go on forever, don't." But instead of trying to just get through it, laugh in the moment.

GEMINI (May 21-June 21). Your sleeping dreams are colorful but nothing compared to your waking ones! Be careful with whom you share them, as practical, well-meaning folks could rain on your parade just when you need a cheerleader.

CANCER (June 22-July 22). Sometimes, things are more right when they go all wrong. You'll emerge from a humbling scenario as a better person. Look for opportunities to bring in additional income through part-time or overtime work.

LEO (July 23-Aug. 22). Be the voice of reason! Beware of macho posturing from people around you. Such arrogance could cause the group to believe it can sustain the unsustainable. Then, later, it will fall to you to clean up the mess!

VIRGO (Aug. 23-Sept. 22). You've got a poet-

ic gift! Write a passionate letter! You could woo someone through language or song. By putting pen to paper, you see your thoughts more clearly and may decide it's time to change some of them.

LIBRA (Sept. 23-Oct. 23). It has been said that wisdom is knowing what should be done and virtue is actually doing it. You embody both characteristics in big and small ways. Sometimes, this means not answering your cell phone in public.

SCORPIO (Oct. 24-Nov. 21). Someone with a quick wit might entertain you, but be wary about getting too involved. Guard against being a follower. Manners and class equal putting the comfort of others before your own.

SAGITTARIUS (Nov. 22-Dec. 21). A sudden sense of peace catches you off guard and causes you to slow down. Maybe you don't have to try and cram in all those errands! You're so relaxed tonight, you actually let contentment settle into your bones.

CAPRICORN (Dec. 22-Jan. 19). In order to accomplish what you've said you will accomplish, you need more manpower. Training, trusting and rewarding others will be a theme of the day if you're to set yourself up for success.

AQUARIUS (Jan. 20-Feb. 13). Identify problems so you can obliterate them. After all, anxiety is not fear of something but fear of nothing at all. It's not knowing what to be afraid of that's debilitating. Give your "enemy" a form so you can get rid of it!

PISCES (Feb. 19-March 20). You are just where you need to be. Know this -- believe it at a deeper place in your psyche. Your sense of calm helps you deal with a million little details that need to be addressed.

The New York Times Crossword
