Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (January 10). You thrill to see the culmination of your seemingly diverse talents this year - pull all your resources into one beautiful vision. A self-realization process is building through this month and next. New mentors and honest friends around you will be key. Love also has much to teach you through the spring, but you must ask for what you need! Your lucky numbers are: 30, 45, 1, 29 and 19.

ARIES (March 21-April 19). You'll be judged by your conversation, so make sure it's "A-level" work. Being close to a gossip co-worker is socially dangerous - this person's negativity could drag you down into a spiteful whirlpool. Keep your high integrity.

TAURUS (April 20-May 20). Yes, you're attractive - wildly so at times. But still, there are certain very unsexy aspects of your life that could use an update. Since internally, you're stepping into a sultry new role, your exterior world will change, too.

GEMINI (May 21-June 21). The stars shed a light on those gems in your life - the people whose dedication and loyalty make your year easier. Show your gratitude by taking special care of these folks, and they will sparkle accordingly.

CANCER (June 22-July 22). By all accounts, you should have the same concerns that plagued you yesterday, but now, somehow they don't seem so dire. Everywhere you go, you leave a path of sunshine in your wake.

LEO (July 23-Aug. 22). Why is it that your so-called "time off" is often more draining than your "time on"? Perhaps you feel you must perform for certain loved ones. What you really need is to be alone with your inspiration - just you and your muse.

VIRGO (Aug. 23-Sept. 22). You could spurge

on something ridiculous, like a gaudy chunk of "bling." What you really crave is respect. It's more valuable than rubies, more substantial than diamonds and more affordable than cubic zirconium.

LIBRA (Sept. 23-Oct. 23). The crazies gravitate toward you. It's because you're the diplomatic leader, and they need you to show them how to get along. Some people's idea of compromise involves vanquishing the other.

SCORPIO (Oct. 24-Nov. 21). You're bringing the best part of you to work. You're cheerful, and you give exuberantly of yourself. Of course, you deserve a raise, but don't ask for it yet. Log in more brownie points first.

SAGITTARIUS (Nov. 22-Dec. 21). You keep thinking there's got to be a better way. Even if all you did today was brainstorm, you'd be ahead of the game. Generic ideas get a mediocre response. Radical ideas get a radical response.

CAPRICORN (Dec. 22-Jan. 19). What is effortless to you takes a heck of a lot of effort for somebody else. And the opposite is also true. So find the specialist who can take an arduous task off of your to-do list. Otherwise, you waste time.

AQUARIUS (Jan. 20-Feb. 18). In order to see magic around you, you have to first believe in it. There's no deep work to be done here - just make up your mind to think differently. Before you know it, you're enchanted by an otherworldly nymph!

PISCES (Feb. 19-March 20). You're organized and smart. But making more money on the job depends more on your sense of political timing. It boils down to putting others first - thinking of the problem from your boss' point of view.
