Horoscope by Holiday Matthis

TODAY'S BIRTHDAY (January 19). This year, you find out you are loved by many. All you have to do is create opportunities for people to show you. Letting down your guard helps! You're showered in gifts through the winter, but in the spring, you're more concerned about giving and teaching others. Investments pay handsomely in April. Love signs are Cancer and Pisces. Your lucky numbers are: 10, 43, 29, 21 and 14.

ARIES (March 21-April 19). Establishing a consistent habit is your impossible order. And it's well worth the discipline it takes. Believe this: When you wake up every day with a single purpose, suddenly, one day, it happens -- you transform.

TAURUS (April 20-May 20). Daunting prospects ahead produce a strong reaction from you -- like the pretty girl in a horror flick, you recoil in shock and terror. Though it's hard to see it now, your power is stronger than the monster's power.

GEMINI (May 21-June 21). Giving 110 percent to a project is not only mathematically impossible, it's plain foolish. When you overdo, you deplete your resources and work against yourself. Instead, just do your best. Your best is enough.

CANCER (June 22-July 22). Your community needs you. Fulfilling a purpose for the group is one of the most satisfying ways you can spend your time. Tonight, if you're not guarded, someone effusively sentimental brings you into his or her mood.

LEO (July 23-Aug. 22). Each era has a unique spirit distinguishing it from other periods, and this is why you may have trouble understanding the younger generation. Make the effort anyway. It's an enlightening experience.

VIRGO (Aug. 23-Sept. 22). You'll rise above the rabble and be singled out for a specific job. It's hard work being elite, and you may long to return to the crowd and enjoy anonymity. Alas, it's not meant to be, so embrace your special status.

LIBRA (Sept. 23-Oct. 23). There's a message you are burning to communicate. Make it short, direct and memorable. Someone at work asks you to advocate on his or her behalf. Do what comes naturally. You were born to lead.

SCORPIO (Oct. 24-Nov. 21). Money may be tight, but this too shall pass. Rent a movie, and snuggle up with a sweetheart or friend. Get creative in the kitchen, and brown-bag your lunch. Frugal can be fun.

SAGITTARIUS (Nov. 22-Dec. 21). Your home is a flurry of activity, as friends and family wish you well on the launch of an important project or change in status. Don't be afraid to ask for either more help or more privacy.

CAPRICORN (Dec. 22-Jan. 19). Someone close to you requires your TLC -- it may even be a pet or favorite plant! It may even be you. Light a candle, quiet your mind, and listen to what your body is telling you.

AQUARIUS (Jan. 20-Feb. 18). Physical efforts improve your attitude. However, your current fitness routine is getting a bit, well, routine. Fend off boredom by adding variety. Working out with a Gemini keeps things interesting and keeps you honest.

PISCES (Feb. 19-March 20). When a partner expresses a vision different from yours, things get rough. Nobody said collaboration was easy. But if the outcome is mutually beneficial, and if you want it bad enough, you'll work it out.
