Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (January 21). Your genius expands this year. Dedicate yourself to following your interests through the rest of the winter. You're attractive when engaged in forward motion on a rewarding project. Love bows you over in February. You'll be making a key life-changing decision in April. Travel in June or October. Love signs are Virgo and Aquarius. Your lucky numbers are: 9, 30, 21, 49 and 20.

ARIES (March 21-April 19). Your instinct for making a buck is well honed. Concern yourself with the stuff from which fortunes are made -- profits, products and services brought to the marketplace. Pleasant surprises come tonight.

TAURUS (April 20-May 20). Check in often with your mirror. You'll benefit from a face-to-face pep talk between you and you. It's not vain! Make the distinction between self-consciousness and self-awareness.

GEMINI (May 21-June 21). Do whatever it takes to feel vital and a part of things. Others may reveal secrets, and you are proud to keep it on the lowdown. This does take some doing, though, since what you learn is so juicy!

CANCER (June 22-July 22). You're still searching for that person who is really on your wavelength. A sassy attitude attracts like -- so emotive! In the meantime, try and relate to those around you. Old friends offer new opportunities.

LEO (July 23-Aug. 22). Shrewd strategies are needed to compete in your current work environment. Know your opponent. A Nigerian proverb applies: "When the mouse laughs at the cat, there is a hole nearby."

VIRGO (Aug. 23-Sept. 22). Childish energy runs you -- it's kind of charming! You could even develop a crush. Whatever you do, don't tell lies. They will quickly envelop you like a sticky spider web.

LIBRA (Sept. 23-Oct. 23). If today had a soundtrack, it would include the comical plucking of a banjo. The music gets faster and faster, and you dance frantically in an effort to keep time. Laugh about it, and you're brilliant.

SCORPIO (Oct. 24-Nov. 21). Your money sector lights up with killer ideas and lots of motivation. It's like you're in Economics 101 and the rest of the class is still playing with crayons. Act on your inspiration immediately!

SAGITTARIUS (Nov. 22-Dec. 21). Environmental issues shape your progress. Probably your work setup is still not conducive to maximum output. A Virgo or Aquarius can help. Make changes, and production will soar.

CAPRICORN (Dec. 22-Jan. 19). Relationship s require so much practical attention that you may channel your inner Tina Turner, crying: "What's love got to do with it?" Remedy the situation by injecting some old-fashioned romance into the equation.

AQUARIUS (Jan. 20-Feb. 18). Interpersonal skills are hot. Getting people to do the right thing is easy for you -- everyone seems to want to please you. You're not being graded in a relationship, but if you were, you'd get an "A."

PISCES (Feb. 19-March 20). It's appealing to tangle with the authority figure. Flexing your inner teen is thrilling and perhaps foolish, but you can't help yourself. Could it be your real issue is with your father?

SUMMER CAMP JOBS
