Strange Brew by John Deering

DO ASK YOUR DOCTOR
IF A BRAIN TRANSPLANT
IS RIGHT
FOR YOU.

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (January 24). This year, you'll realize how truly loved you are. Family and friends shower you with attention, while guardian angels disguised as perfect strangers emerge to offer you assistance. Be sure you know what you want this spring. You'll purchase a luxury item in September. A romantic getaway beckons in July or October. Love signs are Leo and Libra. Your lucky numbers are: 29, 34, 12, 13 and 44.

ARIES (March 21-April 19). Prepare for a change of events in your social life. The sudden entrance or exit of a certain individual sets off a fortuitous chain of events, enabling you to pursue your dreams with energy and enthusiasm.

TAURUS (April 20-May 20). You feel as though your life is a reality TV show -- you're constantly "on" and don't seem to have as much privacy as you're accustomed to. Your existence is more glamorous than you think. Enjoy your skyrocketing ratings.

GEMINI (May 21-June 21). You are of two minds regarding an important career path. One road requires much patience and waiting, the other immediate action. If you're really stuck, ask yourself, "What would fellow Gemini Clint Eastwood do?"

CANCER (June 22-July 22). Small changes you make to your life, if practiced consistently, can tally huge benefits for you over time. Don't forget that every journey begins with a single step, and every step begins with a single thought.

LEO (July 23-Aug. 22). Someone else's trash is your treasure. Check out flea markets, used bookstores, eBay, vintage clothing stores and other places where you're likely to turn lead into gold. A fantastic find is yours for the asking.

VIRGO (Aug. 23-Sept. 22). You may have to revise your plans based on someone else's schedule. Try not to fret too much. While this sudden shift may be frustrating and could inconvenience you temporarily, the end results will be worth the wait.

LIBRA (Sept. 23-Oct. 23). You're magnetic, effortlessly drawing people to you and widening your already large circle of friends. Embrace the new, more sociable you. A romantic partner is being very mysterious. Adopting a wait-and-see attitude is best.

SCORPIO (Oct. 24-Nov. 21). A message from a far-off friend may bring an invitation to travel and perhaps study abroad. Make your plans well in advance so you have time to save up. A change of scenery would do you good.

SAGITTARIUS (Nov. 22-Dec. 21). Money's a little tight as bills from the holiday season roll in. Penny pinching is definitely not your style, but a little self-control serves you well. Do you really need to buy more books, or can you visit the library?

CAPRICORN (Dec. 22-Jan. 19). You have a calming effect on those around you, a trait that may prove valuable in the business world. Just be sure your boss doesn't see you as irreplaceable, or you'll never convince him or her to give you that promotion.

AQUARIUS (Jan. 20-Feb. 18). Let your innate courage guide you into your future. Just because your dream sounds far-fetched, that's no reason to abandon it. Use your common sense, but allow your creativity equal say. The two aren't mutually exclusive.

PISCES (Feb. 19-March 20). A project that encountered delays last month heats up once again. You've had plenty of time to plot and think -- the time to act is now! Self-doubt's a major waste of time. Lead by the strength of your convictions.

The New York Times Crossword Edited by Will Shortz No. 1213

ACROSS
