MARINE CORPS OFFICER TRAINING

Marines
The Few. The Proud.
MARINE OFFICER

To qualify for Marine Corps Officer programs, students must be U.S. citizens, enrolled in a university, and be willing to accept physical and mental challenges. Officer Candidate School is a ten-week session in Quantico, Virginia.

Students are paid about \$3,000 during training.

UP TO \$8,000 IN FINANCIAL AID AVAILABLE PER YEAR

Here are some details about
Becoming an Officer:

GUARANTEED AVIATION

The Marine Corps has its own aviation branch, which flies some of the most sophisticated and technologically advanced aircraft in the world. If you qualify, you'll be *guaranteed* aviation training and, once commissioned, attend Flight School in Pensacola, Florida.

CAREER FIELDS

The Marine Corps offers 18 career fields in which you can become a leader. Some of them are Communications, Logistics, Intelligence, Public Affairs, Military Police, Finance, and Computer Science. The Marine Corps is an organization that *builds* leaders. In each of these fields, you'll be given the authority and responsibility that most college graduates seek, but seldom achieve.

GUARANTEED LAW

The Marine Corps has a dedicated group of attorneys who are also Marine Officers. This field is open to students who are seniors in college or currently enrolled in law school. Marine Corps Judge Advocates (attorneys) quickly handle their own cases and have a great deal of trial time. They are generously compensated for their law degree and are paid a salary which is competitive with that of many civilian firms.
