Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (January 28). This year
features your sensational rise to a position
you've had your eye on for several years now.
You're going about business in a more politi-
cally savvy manner and therefore find yourself
in favor with fellow diplomats. A well-con-
structed financial plan is your ticket to higher
earnings. Make your romantic feelings known
in May. Your lucky numbers are: 9, 40, 1, 29
and 1.

ARIES (March 21-April 19). You're inventive
and sharp. But be careful not to overdo things.
It's the simple idea that takes off like a rocket.
A Gemini or Sagittarius will help you fulfill a tall
order in the easiest possible manner.

TAURUS (April 20-May 20). Your mind needs
some extra help in getting going. Confused
emotions could be putting a damper on your
synapses. Deep breathing helps. The more you
read, the better you think.

GEMINI (May 21-June 21). Listen: The faint
echoes of 1,000 violins play in the distance.
Why do people tug on your heartstrings so?
Perhaps because you are easily swayed by sto-
ries of an unhappy childhood.

CANCER (June 22-July 22). Just because
you've been unaware of a trend thus far does-
n't mean the trend doesn't exist. Look for pos-
sible patterns in your relationships. Discover-
ing a self-perpetuated cycle could set you free.

LEO (July 23-Aug. 22). You'll hear some pretty
silly excuses as to why someone didn't come
through for you. But you'll probably be too
busy accepting the gracious generosity from
other people to care! A Libra flirts with you.

VIRGO (Aug. 23-Sept. 22). Fighting for some-
one else's rights brings out the warrior in you.

"No" is not an option, and you're willing to
make a scene if that's what it takes. You're now
the sign most likely to be called to jury duty.

LIBRA (Sept. 23-Oct. 23). The rules are simple
now, so follow them instead of looking for
deeper explanations. Be wary of people who
need to dominate the conversation. If you take
the relationship further, they may bully you in
other ways.

SCORPIO (Oct. 24-Nov. 21). Exterior influ-
ences promise to soothe and calm you. They
can't take the place of internal satisfaction,
though. You are quite susceptible to advertis-
ing, so be careful not to fall into a consumer
vortex!

SAGITTARIUS (Nov. 22-Dec. 21). The energy
of love is always there; we need only be open
to it. Reaching out to friends, however small
the gesture, will bring about a generally unit-
ing energy. Feelings of isolation melt away.

CAPRICORN (Dec. 22-Jan. 19). Defenses are
there for a reason, right? Without them,
wouldn't you crumble? Maybe not. It's more
likely that you're holding onto a certain coping
mechanism out of habit. Let go, and you'll be-
come invulnerable.

AQUARIUS (Jan. 20-Feb. 18). Wisdom comes
from the mouths of babes -- or at least from
the mouth of someone you formerly didn't
consider wise. You'll recognize the rightness
of a statement and be utterly shocked!

PISCES (Feb. 19-March 20). You hurt yourself
into the pool of life without concern for safety
or liability -- which is just as it should be! Your
cannonball style looks like so much fun to
everyone else that you'll soon attract a crowd
of wannabe revelers.
