Horoscope by Holiday Matthis

TODAY'S BIRTHDAY (February 1). This year, you will achieve a long-held wish. Some of you will graduate with an advanced degree for which you worked extremely hard. Others will travel during the spring and summer months to a dream destination. October finds you making great progress towards a spiritual path, while November resolves a legal issue to your liking. Your lucky numbers are: 9, 17, 24, 46 and 32.

ARIES (March 21-April 19). A creative project brings you immense joy and possibly a good deal of money, too! Stand back and admire your own handiwork. Luck is with you if you're looking for love -- an encounter with your soul mate is very possible.

TAURUS (April 20-May 20). A situation involving a parent is amicably resolved to your satisfaction. This is particularly true of matters pertaining to elderly care. You're in the right place at the right time. Home provides much-needed peace and solace.

GEMINI (May 21-June 21). You're invigorated, charged up and ready to tackle whatever comes your way! People in your neighborhood seem especially attracted to your charisma. Even your most sullen sibling looks favorably upon you.

CANCER (June 22-July 22). Watch for money in your mailbox. A financial situation that's been in the works for weeks -- possibly months -- is likely to wrap up, and your efforts could bear golden fruit! It's best to remain humble and keep that hungry attitude.

LEO (July 23-Aug. 22). A huge personal breakthrough is on the agenda for you, lucky lion! This marks the culmination of one phase of your life and the beginning of a whole new and glorious adventure. Whatever you do today has major staying power.

VIRGO (Aug. 23-Sept. 22). Something that's been buried in your subconscious may rise to the surface and poke you between the eyes, forcing you out of your comfort zone. It could be the answer to a question you've been puzzling over. Pay attention.

LIBRA (Sept. 23-Oct. 23). You feel like partying! Whether you're the host or the guest, you're sure to benefit from socializing with friends and likeminded individuals. A trip across town or across the globe brings you insights into a moral dilemma.

SCORPIO (Oct. 24-Nov. 21). A career matter reaches its grand finale, bringing with it potential for profit. From this point on, you may be playing in a whole different ball league, one in which you're calling all the shots! A confident Aquarius is favored for love.

SAGITTARIUS (Nov. 22-Dec. 21). There's a lull in the action. Use this opportunity to search your soul. Re-evaluate your priorities and your values to make sure they're not outdated. Take the time to adjust as necessary.

CAPRICORN (Dec. 22-Jan. 19). You're in prime position to take advantage of other people's money. Someone with deep pockets could very well offer to fund your pet project. Be sure to buy a lottery ticket or two. You can't win unless you play.

AQUARIUS (Jan. 20-Feb. 18). Marriage is in the air. If you're in a committed relationship, your beloved could pop the question or accept your proposal! If single, you could meet your future spouse. A business partner makes a significant and enticing offer.

PISCES (Feb. 19-March 20). Those long hours you've been keeping and the stress you've been under do not a happy body make. Slow down the pace. Take a hot bath. Rest up. An ounce of prevention now will save you from illness later.

Strange Brew by John Deering
