

IN BRIEF

Ducks continue to grab provisional indoor marks

Junior pentathlete Lauryn Jordan, senior long jumper Leonidas Watson, junior heptathlete Ryan Voge and the men's 4x400 relay team all qualified for NCAA provisional marks this past weekend.

Juniors Travis Anderson and Matt Scherer and seniors Kedar Inico and Roderick Dotts finished second to

Arizona State at the Mountain T's Invitational in Flagstaff, Ariz., in the men's 4x400. The Ducks' 3-minute, 7.55-second mark easily bested the NCAA provisional mark of 3:10.40 and was only seconds off the automatic qualifying mark of 3:06.10.

In Moscow, Idaho, Jordan bested the provisional pentathlon mark of 3,700 points with a 3,788 second-place finish to Idaho's Manuela Kurrat.

Also at the McDonald's Collegiate in Idaho, Voge, a Hillsboro native, bested the NCAA provisional mark of

5,200 heptathlon points with his winning 5,238-point score. Voge, whose total was a personal best, will likely need closer to 5,500 points to qualify for the national indoor meet.

Also at the NCAA Indoor All-American, Watson won the meet's long jump competition with a leap of 25 feet, 2 inches. Watson moved up to third on the NCAA's provisional list with his victorious jump.

Duck athletes continue their indoor season next week in Boise, Idaho, Seattle and Ames, Iowa.

Wrestling: Oregon's Barker falls to No. 1 Rosholt again

Continued from page 5

only momentarily stop the bleeding for the Ducks, who lost the remaining four matches of the dual. The Cowboys closed the dual with three No. 1 wrestlers in their respective weight classes. Top-ranked Chris Pendleton (174) unleashed a slew of take-downs on Oregon junior Chet McBee en route to registering a 29-14 technical fall. Pendleton's teammate, Clay Kehrer (184), followed by blanking Tony Rolon of Oregon, 8-0.

Not even No. 5 Barker (197) could

snatch a win for the Ducks. Barker was pinned by No. 1 Jake Rosholt for the second time this season. Rosholt pinned Barker at the Reno Tournament of Champions on Dec. 19.

Another top-ranked wrestler, Steve Mocco of Oklahoma State, pinned Chris Dearmon in the first round of the heavyweight match.

The Ducks return to Pac-10 competition this weekend as they host rival Oregon State in a Civil War dual at McArthur Court on Sunday.

Horoscope by Holiday Matthis

TODAY'S BIRTHDAY (February 8). There's a paradox at work this year. The more independent and self-sufficient you become, the more you are supported in your endeavors. Quick business wins are featured through the spring, but spend wisely, or you experience financial losses. A fabulous June vacation progresses your love life. For new romance, Virgo and Taurus are terrific. Your lucky numbers are: 8, 20, 45, 33 and 14.

ARIES (March 21-April 19). Your curiosity is piqued. Fascinating characters cross your path, and there's talk of changes on the horizon. Instead of being fearful, be on the cutting edge by conducting an interview of someone who seems to know what's going on.

TAURUS (April 20-May 20). The more interest you show in a subject or a person, the more interesting that subject or person becomes. It may feel like you're still getting to know someone who's been in your life for years.

GEMINI (May 21-June 21). A loving partner is just what you need to ground you. Together, you find solutions for today's strange and random problems. Laughter makes it all better, too. If you're single, a Virgo or Capricorn friend will be your anchor.

CANCER (June 22-July 22). The obstacles you build in your mind have nothing to do with reality. This is especially true in reference to a central relationship. In actuality, one courageous phone call could solve everything!

LEO (July 23-Aug. 22). The world may be in disarray, it's not the world's fault. Rather, it's our way of mentally ordering information that makes it confusing. Get clarity by removing yourself from the muddle to look at things from another point of view.

VIRGO (Aug. 23-Sept. 22). The stars whisper to you -- pause to listen. They say things like "Be careful not to fall in love with someone's potential." You are observant and willing to see things how they are now instead of how they ought to be.

LIBRA (Sept. 23-Oct. 23). You feel that if you hesitate, you'll lose out. The reality is that if you hesitate, you'll be dragged along a rocky path behind the rest. So it's time to jump in on your own two feet and run forward.

SCORPIO (Oct. 24-Nov. 21). Your impressions are accurate as usual, but the differing opinions of those around you may knock you off your center. Approach new relationships with caution. The first 15 minutes determine how the rest will go.

SAGITTARIUS (Nov. 22-Dec. 21). Your physical body is strongly affected by thoughts now. Look in the mirror, and give yourself the nod of approval or, better yet, a pep talk. This will noticeably improve your health.

CAPRICORN (Dec. 22-Jan. 19). You're like a detective, ferreting out the true motivations of others -- seemingly illogical behaviors are clever disguises that you see right through. Use what you know to find true-blue friends.

AQUARIUS (Jan. 20-Feb. 18). Take nothing out of context. Each event is connected to the one before it and will affect the one after it. Your sliding sense of the past, present and future will guide you toward success.

PISCES (Feb. 19-March 20). Money is just money, so put those worries in their proper perspective and realize what the real issue is -- priorities. If you can imagine something you'd rather be doing, then perhaps it's time to do that instead.
