The Buzz emu lower level

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (February 21). Your favorite people respond to you, too, generating a swirl of social fun. You no longer believe the best is yet to come -- the best is what you're doing in the moment, and moment by moment, you turn this year into a big success. Emotional ties you establish in June are lasting. Leo and Sagittarius are excellent romantic choices. Your lucky numbers are: 45, 2, 10, 24 and 35.

ARIES (March 21-April 19). A threat, real or imagined, looms large in your head. Take action to tame this monster. Handle it first so you can get on with your day, giving full attention (or at least as much attention as possible) to your other duties.

TAURUS (April 20-May 20). Life feels fragmented into about 10 million pieces. But in reality, you are less disjointed than you think. Clear clutter at home, and you'll see plainly what else needs to be done. A Virgo helps, too.

GEMINI (May 21-June 21). Productivity ebbs and flows. You'll have your Mary Poppins moment, though, and "a spoon full of sugar" really will help the "medicine go down." Try to attack all work in the spirit of fun.

CANCER (June 22-July 22). It's like you're playing a game of Madlibs. Ev00erywhere you turn, there's a blank that needs filling in. Luckily, you're quite creative. And humorous, too -- as your friends will later attest. Have fun!

LEO (July 23-Aug. 22). People will interrupt you all day long if you let them! Control their access to you by getting strict with your schedule. Choose the hours you'll be available by phone, and don't answer it other than that.

VIRGO (Aug. 23-Sept. 22). A difference of opinion could come between friends, but it's nothing serious. Helping someone take care of

190 OPPORTUNITIES
