Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (February 22). There's no end to your creativity this year. Talent makes you attractive to potential partners, and you'll be encouraged to make a choice for your love life in April. Marriage is featured in July. Your new approach to work brings in more money this summer. Hard work will be required, and there's no getting around it. Love signs are Virgo and Libra. Your lucky numbers are: 10, 2, 43, 21 and 33.

ARIES (March 21-April 19). In the screenplay version of your life, today would be like the third-act conflict resolution. March your bad self straight back to the original source of your problem, and fix it once and for all.

TAURUS (April 20-May 20). You'll get a solid example of what Cyndi Lauper meant when she sang, "Money changes everything." And as the song goes, when you're wondering who you can trust, trust nobody else's money. Pay your own way!

GEMINI (May 21-June 21). What you wanted to say, you said. But still, you don't feel heard. What's it going to take to get certain people to "get" you? It's a wonderful time to sit back, observe, listen and learn.

CANCER (June 22-July 22). You'll be made aware of the awesome power of romantic love. It gets really interesting when you juxtapose this with the reality of married life. Friends, acquaintances and your own situation bring the lesson home.

LEO (July 23-Aug. 22). Your comic mood undercuts what would normally be a run-of-the-mill scenario. No wonder people are drawn in by your wit humor. Keep it up, and you'll wind up attracting a new admirer or a secret crush.

VIRGO (Aug. 23-Sept. 22). You're figuring out whether or not to get involved with other people's problems. You identify with a friend's struggle, but you can't help but stand back and smile his or her ridiculous foibles.

LIBRA (Sept. 23-Oct. 23). Today packs a mixed bag of emotions. The teenage drama queen/king in you feels that your entire life is devoted to an elusive pursuit. Calm down, and treat yourself kindly. There's a different way to see things.

SCORPIO (Oct. 24-Nov. 21). There's more support for your ideas than you previously thought. Today features a silent partner or someone pulling for you behind the scenes. It's good to know you're not alone.

SAGITTARIUS (Nov. 22-Dec. 21). No matter how you start, you'll wind up at the same place -- your destiny. Expanding your awareness of the world gives you new purpose. Set out with no other agenda except to soak in something new.

CAPRICORN (Dec. 22-Jan. 19). The very work that you consider draining is actually energizing to someone else. This fact may be unbelievable to you now, but if you're open to the idea, you may just find someone to take over a tedious task for you.

AQUARIUS (Jan. 20-Feb. 18). The small miracles continue. Ask friends for their stories of wonder, and you'll get an earful. This renews your hope that there's someone special out there just for you. Extend yourself a courtesy or a gift.

PISCES (Feb. 19-March 20). You get a much better picture of the reality of a complicated situation. Sit with the new information -- let it mellow in your mind. Make no snap judgments. Allow your inner wise man some breathing room on this one.
