## OREGON DAILY EMERALD

## Horoscope by Holiday Mathis

**TODAY'S BIRTHDAY** (February 23). This is your year to be pro-active! Don't wait until life pushes you to make a change. It's time to thrive instead of just survive. Steps toward a goal in the next seven weeks lead to meetings with people who will be a supportive resource for years to come. A fabulous business move is featured in April. Love signs are Leo and Scorpio. Your lucky numbers are: 6, 35, 21, 17 and 23.

**ARIES** (March 21-April 19). You see an example of greatness and take note of the substantial difference between mediocrity and excellence. On the personal side, there are rumors going around, and you want to clear things up -- get it from the source.

**TAURUS** (April 20-May 20). A work situation plays out like a slow-paced poker game, and you're enjoying every nuance. Be careful not to give too much away with your "tell." If you're not completely in control, someone will call your bluff.

**GEMINI** (May 21-June 21). A scatter-shot approach to scheduling knocks down a few obstacles, but in order to make real progress, you'll have to get focused! Take an hour or two to write in your journal and plan things out. It's actually time efficient!

**CANCER** (June 22-July 22). Too many possessions could be a problem, distracting you from what you really care about and sucking energy better spent on nurturing yourself or others. Sell it on eBay or the local free-ad weekly.

**LEO** (July 23-Aug. 22). Flirty fun continues. Making someone work harder to get to know you actually works in your favor. A seemingly minor decision has a major impact -- be thoughtful. Curb the urge to splurge -- what you're after money can't buy.

**VIRGO** (Aug. 23-Sept. 22). Though you are an inspired shopper now, too much emphasis on materialism is a danger. Put people first, and you'll get the best deal. Be careful not to give the wrong impression to someone who doesn't know you well.

**LIBRA** (Sept. 23-Oct. 23). Friendly competitions and discussions have a way of escalating into something passionate. Take nothing for granted in understanding those you love -- let them express it their way. A Pisces has a lucky tip.

**SCORPIO** (Oct. 24-Nov. 21). Just because something happened once doesn't mean it will happen again. Besides, breaking out of old patterns is your specialty! You'll do well with tests and competitions that involve many people.

**SAGITTARIUS** (Nov. 22-Dec. 21). Attitude is everything. With a little introspection and a few tweaks, your attitude will be perfect for the job you need to do. You're being evaluated even when you think you're alone.

**CAPRICORN** (Dec. 22-Jan. 19). The space probe Cassini has been orbiting the rings of your ruling planet, Saturn, gathering data about this mysterious, magnificent luminary. Someone is orbiting you much in the same way. How flattering!

**AQUARIUS** (Jan. 20-Feb. 18). Someone thrives under your tutelage. And by teaching others, you train yourself to be a true master. Return what you borrowed, or there may be a penalty. Family time is magical tonight.

**PISCES** (Feb. 19-March 20). You're in a growth spurt in regard to work: Attend conferences or anything related to learning more about your industry. Friends need you tonight, but giving a little could sign you up for a lot.
