Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (February 24). Your sunny state of mind helps you optimize your experiences this year. Big money springs from an opportunity to use your unique talent in March. If you watch your spending, you'll have enough for a substantial investment in July. Providing for future generations in your family is on your mind and an achievable goal this year, too! Your lucky numbers are: 8, 30, 45, 6 and 2.

ARIES (March 21-April 19). Wouldn't it be nice to have a more fulfilling social life? You certainly deserve it, so put a little effort into this sector of life. Think about who your friends really are and whom you would like to add to the roster.

TAURUS (April 20-May 20). It's all out there -- and you've got to go out there to get it. Phone calls bring new work, so start dialing! Even cold calls are better than none at all. There's romantic potential with a Leo or Pisces.

GEMINI (May 21-June 21). This is no time to be laid back. It seems the aggressive will inherit the Earth before the meek even have their first cup of coffee. Set the bar high. If you're willing to practice, your talent brings acclaim.

CANCER (June 22-July 22). The boundaries of a relationship are being challenged. You want to be loved, not possessed. Don't rush matters of the heart -- small steps in the right direction eventually get a relationship to the promised land.

LEO (July 23-Aug. 22). You're the cheerleader, the taskmaster and the drill sergeant -- whatever persona is needed to get the job done. Employees, loved ones and the general public respond to your authority. You've definitely got style!

VIRGO (Aug. 23-Sept. 22). Prepare and do your homework. Your willpower is the secret

weapon. A sweetheart may use (annoying) antics to get your attention. Call 'em as you see 'em. Singles: Potential partners find your ambition sexy.

LIBRA (Sept. 23-Oct. 23). Getting started is half the battle now. If all you do is tackle the first task of a new project, you've won. Show your talent to the right people. The idealism of a loved one is more helpful than the pessimism of an expert.

SCORPIO (Oct. 24-Nov. 21). Your one-on-one skills are put to use. Establish communication with someone you have admired from a distance. Really, romantic competition is no competition for you. Taste the good life tonight.

SAGITTARIUS (Nov. 22-Dec. 21). You say "tomato," and your pal says "tom-ah-to," but stylistic differences are not enough to keep a budding romance from going full speed ahead. In fact, the more different you are, the more attracted you'll be.

CAPRICORN (Dec. 22-Jan. 19). The way out of the current dilemma is not the same way you came into it. Your own vision is the one to follow. Quietly leave the others to their devices, and get creative. Trust your artistry and inventiveness.

AQUARIUS (Jan. 20-Feb. 18). You expect yourself to be brilliant, and coincidentally, so does everyone else! Luckily, delivering on such expectations is something well within your grasp. At work, don't slack off.

PISCES (Feb. 19-March 20). The past tugs at your conscience, and the future tries to seduce you. The challenge is to stay attentive to what is happening now. If you can do this, a workable action plan will come to mind.
