Horoscope by Holiday Matthis

TODAY'S BIRTHDAY (February 28). The confidence you gain this year opens wide your options. You may find yourself in a completely different role by year's end. Singles have new ways of meeting love this spring and by June are exploring a fascinating romance. Aquarius and Sagittarius are favored signs. Put your whole self into a project in July, and wind up a winner! Your lucky numbers are: 3, 7, 45, 9 and 35.
ARIES (March 21-April 19). A Japanese proverb states, "The nail that sticks up gets hammered down." Decide now whether you'd like to conform or not. If not, avoid the hammer by thinking of a clever way to conceal the fact that you are "sticking up."
TAURUS (April 20-May 20). Perhaps your outrageous aim has a better chance of being realized than a mundane one. Space stations house communities in the sky, not because of an accidental discovery but because mankind set "conquer space" as a goal.
GEMINI (May 21-June 21). Persistence and experimentation go hand in hand. Approach that relationship issue from at least three different directions before you write it off as "his or her problem." Brainstorming with a Pisces is lucky.
CANCER (June 22-July 22). "Trust" is a word that gets thrown around without comprehension of what it means. Maybe you can never know the secret heart of your loved one, but at least you can accept that he or she has a right to it.
LEO (July 23-Aug. 22). You're impressionable now, so remember, garbage in, garbage out. Feed your mind, body and soul with nutritious "food." Watch out tonight. You're in the mood to go out and get into some trouble!

Don't Miss This Position! The Register-Guard is accepting applications for a Web Advertising Sales Representative. If you can sell advertising in the most exciting medium ever, have experience in making cold calls, have knowledge of the Web, strong multi-layered organizational skills and enthusiasm... we are looking for you. Please submit an application, resume, and cover letter by Wednesday, March 9, 005: NEW MEDIA SALES REPRESENTATIVE, H.R. Dept, The Register-Guard, P.O. Box 10188, Eugene, OR 97440. Application and complete job description available at www.registerguard.com. E.O.E.

VIRGO (Aug. 23-Sept. 22). Give yourself credit -- other people do. Someone looks at what you're doing and says, "Wow, I've always wanted to do that." If you really look, you'll find plenty of reasons to feel good about yourself.
LIBRA (Sept. 23-Oct. 23). The resolution of a tense situation brings a combination of relief and letdown. What will you possibly do with your extra time and energy now that this "hole" has been plugged? You'll find something quick.
SCORPIO (Oct. 24-Nov. 21). The hard questions are the ones that will set you free. What was learned from a bad situation? What came out of it that you can be grateful for? Use the introspective Pisces solar energy to find answers.
SAGITTARIUS (Nov. 22-Dec. 21). Surrender to your desire. When you really risk your feelings, you will be rewarded for your courage in some manner. And what a rush! It feels as though your heart is riding on someone else's wings!
CAPRICORN (Dec. 22-Jan. 19). Everyone has done something to be ashamed of at some point in life. Where there is true forgiveness, bad karma can be erased. Grant yourself the grace to let go of what happened. It's over now.
AQUARIUS (Jan. 20-Feb. 18). You're walking a delicate line now. The difference between going with the flow and being passive is something you know in your heart. One has to do with timing, and the other has to do with fear.
PISCES (Feb. 19-March 20). People who look up to you are heavily influenced by your judgments, but that's a power you don't want right now. Be careful not to intentionally dictate what your child, employee, friend or sibling should do.
