OREGON DAILY EMERALD

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (March 3). You get serious about your No. 1 goal this year and will have what you want. You are also able to attain smaller wins along the way by sticking to your plan. Casual relationships don't stay casual. Early summer highlights a big commitment. Someone you hire makes a difference in June and July. Love with a Scorpio or Sagittarius is favored. Your lucky numbers are: 19, 3, 45, 20 and 13.

ARIES (March 21-April 19). You sometimes feel that if you're not acting against an opposing force, you're not working hard enough. But everything doesn't have to be a fight. Try compliance for a change. You may actually like it.

TAURUS (April 20-May 20). There's something grand and melancholy about working alone, and you'll revel in it. You'll probably burn the midnight oil tonight, too -- just remember, there is a point of diminishing returns.

GEMINI (May 21-June 21). You'll have extraordinary insights while accomplishing ordinary tasks like cleaning up, making phone calls and clearing your desk. Get out in the world this afternoon. Your luck is uncanny. You could even win a raffle or lottery.

CANCER (June 22-July 22). No one wants to admit bad behavior, but your refreshing honesty drives you to do just that. You could find yourself defending the very thing only a fool would defend. You're in good company, though!

LEO (July 23-Aug. 22). Romance permeates your environment, though it's not necessarily the kind that involves being in love. Very grown-up behaviors are highlighted -- this could include deep business, litigation or some lofty form of decadence.

VIRGO (Aug. 23-Sept. 22). Learning to do something creative with your hands (gardening? sketching? cooking?) will keep you out of the restless prison of tedium. Also, make a firm, regular date with someone you care about.

LIBRA (Sept. 23-Oct. 23). There's so much to get done now that you'll wish you had your own staff -- unless, of course, you do have your own staff, and then, you'll wish they were one-tenth as efficient as you are!

SCORPIO (Oct. 24-Nov. 21). Cause and effect are clearly illustrated in your life. The more forthright you are, the more successful you'll be. Don't keep anyone waiting on hold -- it's bad karma. Tonight features an eternally seductive temptation.

SAGITTARIUS (Nov. 22-Dec. 21). You need a break from rigorous self-observation. Return to childish innocence by refusing to over-think your work. Also, make more time for "recess." Frivolous activities are lucky.

CAPRICORN (Dec. 22-Jan. 19). Though you can appreciate a well-told story as heartily as the next person, today, it's the facts you're after, not imagination. Ask direct and pointed questions, and you'll learn exactly what you need to know.

AQUARIUS (Jan. 20-Feb. 18). Avoid the (juicy) rumor mill! If you can take the high road, you stand to gain while others learn their lesson. On a financial note, you'll get access to the money once you prove you can handle it.

PISCES (Feb. 19-March 20). Diverse characters delight and inspire you. You're to be commended for being able to relate to people of all walks of life. If you follow the golden rule, everyone gets along. Your connection with a Scorpio is particularly strong.
