LTD: Picketer urges support for ATU cause

Continued from page 1

LTD, but then when things like this happen they just turn their heads." Eugene citizen David Guisado picketed with other union members and supporters at the Lane County Fairgrounds on Monday afternoon. Guisado said he has been following the contract negotiations since October and feels the LTD drivers are only asking for the benefits they've always had. Guisado said he will picket with union members whenever he has free time and encouraged others in the community to verse themselves on the issues behind the contract dispute. "It could be months before the buses come out if people don't get involved," Guisado said.
