ARIES (March 21-April 19). You're in a dream state, fantasizing about the impossible -- an in-sanely high target. You may as well believe you can do it. Your sign mate, Thornton Wilder, said, 'Hope, like faith ... is nothing if it is not ridiculous.'

LEO (July 23-Aug. 22). Vibes are hot for getting into tiptop shape. Work it – you'll have fun, too. Warning: Be wary of a relationship that involves not only the object of your affection but also an ever-present mother figure.

VIRGO (Aug. 23-Sept. 22). Expectations are ng. You look around at the people close to

PISCES (Feb. 19-March 20). The late nights are starting to catch up to you. If you can barely keep your eyes open at work, you're not the only one. Grab a colleague, and take a walk to the coffee stand down the block. The gossip you learn is enlightening!
