Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (April 1). All year long, you fully embody your role as the golden child of spring, bringing fresh energy to every relationship you take part in and every project you touch. Sassy business moves in the next three weeks lead to long-term financial rewards. Travel in December brings you into contact with exciting people. Love signs are Sagittarius and Aquarius. Your lucky numbers are: 9, 15, 32, 49 and 25.

ARIES

(March 21-April 19). It's a rowdy day. Party plans are made before the beds are. Those looking for love should note that the girl or boy next door has just as much to offer as the glamorous person on the other side of the world.

TAURUS

(April 20-May 20). Everyone wants to be around a fabulous sense of humor, and now, yours is as fabulous as it gets. Unfortunately, being funny requires that you know both truth and pain -- but at least you're making the most of it!

GEMINI

(May 21-June 21). Read the instructions. It makes life simple. For instance, how much easier would life be if you knew how to program your cell phone or work that digital camera? Skills you pick up now bring money later.

CANCER

(June 22-July 22). Potential loves are everywhere, and all you have to do is flash that killer smile and continue to exercise your originality muscles. Creativity is so attractive, especially to Libra and Leo.

LEO

(July 23-Aug. 22). You're dreaming of riches and are willing to take a gamble. However, there are still negative beliefs swimming in your subconscious about money and the people who have it. Abolish those beliefs now!

VIRGO

(Aug. 23-Sept. 22). The people you admire have a purposeful dream and are positive about its accomplishment. So what are you doing hanging around those other people -- the ones with scowls on their faces? Break free!

LIBRA

(Sept. 23-Oct. 23). Social acceptance isn't always as forthcoming as you'd like. But you'll have your day. If signmate Ashlee Simpson can show her face after all the humiliation she's been through, your comeback should be a snap.

SCORPIO

(Oct. 24-Nov. 21). It's tempting to get caught up in ego-based problems when there are so many people around trying to one-up their neighbor. Acknowledge the spiritual dimension. Remember who you are.

SAGITTARIUS

(Nov. 22-Dec. 21). The luckiest thing you can do is to actively participate in the act of listening -- to your partner, your boss, your children. The person who masters the art of communication will excel in every area of life.

CAPRICORN

(Dec. 22-Jan. 19). In this evolving world, you have to roll with the changes, and oftentimes you have no vote. This afternoon provides your case in point. At least you can still choose the attitude with which you embrace the new.

AQUARIUS

(Jan. 20-Feb. 18). There's a reason for the term "deadly boring." Because when you're bored, you're not really living life the way it's supposed to be lived. Run -- don't walk -- to the bookstore and find something compelling to spark your interest.
