UNIVERSITY OF OREGON

Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (April 5). Your creativity attracts attention, respect and ultimately, romance. Sharpen your public image and/or job skills this summer through seminars, classes and associations with new friends. This helps you nab the position you want. Major decisions have to do with loving commitments and location changes. Love signs are Scorpio and Sagittarius. Lucky numbers are: 4, 30, 16, 7 and 35.

ARIES (March 21-April 19). You love ambitious people, as long as their ambition is not in direct competition with your own. Unfortunately, you're in a position to contend with a friend or family member now, and you have to show this person "how it is."

TAURUS (April 20-May 20). Your extravagant taste is featured. To afford the luxuries you crave, you either need a fat bank account or a genius imagination. If you make good use of today's opportunities, you'll have both someday!

GEMINI (May 21-June 21). Luck springs from the volunteer work you do. What? You're not currently helping a cause? Find one worth your time. Tonight is the perfect night to stay up past midnight in the name of good, clean fun.

CANCER (June 22-July 22). A newspaper item will contribute to your financial success. Some of you sort out the lingering aftereffects of romance gone wrong. Don't sulk. Exercise. Your attitude changes with your blood pressure!

LEO (July 23-Aug. 22). Thinking small brings small results. So go at your problem with a superhuman effort. When you take steps to accomplish an altruistic goal, your more basic aims are met in the process.

VIRGO (Aug. 23-Sept. 22). Right now, it's hard

to get by the snags and snarls of a competitive workplace without a few scratches. But that's no excuse to launch a mind-numbing martini marathon. Talk strategy with a supportive friend.

LIBRA (Sept. 23-Oct. 23). Believe you are, and you will be: it's just a matter of staying on track. You dazzle in tests, performances and with clients. Leo partners help you find financing for a project. Solve a transportation problem once and for all.

SCORPIO (Oct. 24-Nov. 21). You didn't get where you are today by sitting still. Remember this when an interesting offer comes your way this afternoon. No reason to pass up a chance for adventure, especially when it's free!

SAGITTARIUS (Nov. 22-Dec. 21). You're still interested in joining the ranks of an exclusive group. Your advances are welcome now. Get tips for this pursuit by rocketing around cyberspace. Novel ideas work beautifully.

CAPRICORN (Dec. 22-Jan. 19). It's too early to get worked up about an upcoming event. Then again, there's nothing wrong with a little irrational exuberance. If you don't celebrate the small wins, what incentive do you have to create big ones?

AQUARIUS (Jan. 20-Feb. 18). Status-seeking individuals look for your approval, and you take pity on them. But you know that there is really no way to gain real status except to earn it. When you meet the real deal, you're instantly sold.

PISCES (Feb. 19-March 20). Split your time equally between the tranquility of your personal business and the chaos of your career. Both require your undivided attention. And both are completely rewarding.
