Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (April 6). This is destined to be your best financial year yet. Money can't buy you love, but it certainly makes you feel confident and attractive. Conservatism through May is advised, but in June, getting in on unproven, seedling investments will pay handsomely. Couples marry or take a second honeymoon in July. Lucky love signs are Scorpio and Aquarius. Your lucky numbers are: 9, 35, 22, 10 and 4.

ARIES (March 21-April 19). If you're taking a stand, chances are there are people who stand with you and against you. Don't back down, and don't proceed in an overly cautious manner. However, do know the nature of your enemy!

TAURUS (April 20-May 20). Your need for sensory stimulation is highlighted. If it tastes delicious, feels luxurious and looks like a million bucks, you've gotta have it! Meaningful words are exchanged between loved ones tonight.

GEMINI (May 21-June 21). The stresses of your morning are short-lived, so hang in there! Losing your cool will only cause friction in a relationship. Don't worry about being right. Let maternal carry you along the high road.

CANCER (June 22-July 22). What's good for others is not the same thing that's good for you. Get to know your body more thoroughly. The healthy habits you establish today contribute to your longevity.

LEO (July 23-Aug. 22). Partnerships bring obligations -- they are well worth it though, especially with a Libra. Loved ones care and now may be ready to make big concessions for the sake of the relationship. Are you willing to compromise, too?

VIRGO (Aug. 23-Sept. 22). Don't let the past

hold you back. Old decisions no longer reflect the way you feel. Luckily, you'll get a chance to change your mind. Stay on top of money, budgeting and finances to improve economic security.

LIBRA (Sept. 23-Oct. 23). You have compassion for people of all ages and all walks of life. Because you avoid making assumptions, you're let in on a profitable situation. A delicious spirit of discovery visits relationships.

SCORPIO (Oct. 24-Nov. 21). If you play the "servant," you'll have lots of jobs heaped on you. Act like a leader, and you'll be one. There's a person close to you who needs your approval. Don't withhold it for petty reasons.

SAGITTARIUS (Nov. 22-Dec. 21). The bird's-eye view of the world reveals all kinds of shortcuts. So try and rise above the situation you're in. New relationships are rosy. Try not to neglect people in your life who have been around longer.

CAPRICORN (Dec. 22-Jan. 19). Bring the best minds around you together to work on the thing that's been plaguing you. If you explain well, others will not only understand, they'll also solve your problem for you. Friends in high and low places can help.

AQUARIUS (Jan. 20-Feb. 18). You express yourself beautifully. A perfect stranger could ask to buy your work and ideas. You might also be asked to make a speech, introduction or sales pitch. Romance is better when the bells are paid.

PISCES (Feb. 19-March 20). What you think will happen does, so think positively. Your big break is on the way, but you're not quite ready to take advantage of it yet. Make sure you know what you'll do when it comes.
