Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (April 15). You're more daring than ever and your risks pay off. A lifestyle change will bring healthy relationships into your life this year. A self-employment or educational goal is met in June. Luckiest months for money are August and November. Many will open new businesses in December. Lucky signs for new romantic love are Pisces and Sagittarius. Your lucky numbers are: 10, 34, 28, 12 and 14.

ARIES (March 21-April 19). It's happened before and it will happen again -- one of life's twists picks you up and turns you in the opposite direction. Consider: Have you become the person you were going to be when you grew up?

TAURUS (April 20-May 20). New ideas and people compel you forward. Mistakes are par for the course, but you'll live with or improve upon whatever happens. You can't afford to (and can't bear to) stand still!

GEMINI (May 21-June 21). You'll spend time in an environment that seems bent on homogenizing your spirit. But you're not like anybody else! Fight for the right to be yourself. Leo and Aquarius understand your needs.

CANCER (June 22-July 22). Fantasies fill your head. The more impossible they are, the more they'll help you create in the real world. Your imagination is the one place you can be completely free.

LEO (July 23-Aug. 22). Your body is as strong and flexible as your mind. Keep challenging yourself through education. Slim down your schedule or too many obligations prevent you from doing your best work and earning as much as you could.

VIRGO (Aug. 23-Sept. 22). You're a study in opposites, especially this morning when your inner dialogue is a stark contrast to your actions -- good thing. Whereas you may think you'd like to "freak out," you remain relaxed, amiable and entertaining.

LIBRA (Sept. 23-Oct. 23). It becomes obvious that a certain destination will not be reached any time soon. But don't lose heart or change your destination. Instead, get a different map, or change your driving directions.

SCORPIO (Oct. 24-Nov. 21). Your zany wit goes right over the heads of some of the people you're trying to communicate with. But humor and amusement is still the best way to approach your problems. Those who matter don't mind.

SAGITTARIUS (Nov. 22-Dec. 21). Approach love with your customary playfulness and you'll like what you get back. Singles are attracted to the eccentric one. Health tip: Drink tons of water, and you'll avoid what's going around.

CAPRICORN (Dec. 22-Jan. 19). Real friends are like firemen at the scene of a burning building. They run in when everyone else is running out. Think about who your real friends are, and nurture those relationships above the rest.

AQUARIUS (Jan. 20-Feb. 18). Friends are talking crazy, but it's just the kind of crazy talk you need to be listening to. Hope is your success elixir. Drink up, and you'll grow as high as you can reach.

PISCES (Feb. 19-March 20). Go beyond the call of duty. Giving up is the easiest thing in the world to do. That's why you're appreciated and admired for holding it together when nobody would expect you to.
