Although there aren't as many casinos in Oregon as in surrounding states (9 in Oregon compared to 128 in Washington and 131 in California according to casinocity.com), those we do have offer a myriad of ways to squander a hard-earned dollar with a smile. Spirit Mountain Casino, in Grand Ronde, Oregon off Highway 22, may seem like it's in the middle of nowhere but it's a trek worth taking. Housed in a beautiful 90,000-square-foot building with high ceilings and bright surroundings, Spirit Mountain offers 1,500 slot machines, 26 blackjack tables, and multiple craps and roulette tables. The poker room at Spirit Mountain is second to none with 15 tables offering limit games as well as daily tournaments. Less than an hour away in Florence, Three Rivers Casino offers more in the way of convenience than it does in terms of gambling options. However, if slot machines and blackjack is all that you seek, this is the place to play. For those headed southbound, Seven Feathers Casino offers a large variety of gaming options as well as the newly remodeled Stix sports bar with eleven TVs, ten beers on tap and an extensive dining menu.
