Horoscope by Holiday Mathis
TODAY'S BIRTHDAY (April 29). Your intellectual prowess wins fans and money this year! Changing the cast of characters in your work realm will infuse you with new energy over the next three months. Property and inheritance matters are resolved in September. A sensational romance has you floating through the summer. Love signs are Virgo and Capricorn. Your lucky numbers are: 20, 3, 1, 14 and 40.
ARIES (March 21-April 19). You'd love to shout what you're feeling! However, contained enthusiasm is better in certain circumstances where unbridled passion can make you seem, well, crazy. Be as expressive as is allowed anyway.
TAURUS (April 20-May 20). A boring scene comes to life when the troublemaker strolls in. Do you dare take on the role? It's liberating to get in touch with your bad self. And you attract an admirer in the process.
GEMINI (May 21-June 21). Your gift of gab is well-known. A family member with a tough decision to make could use some of your insight and wit. Make the call, and be a hero. It's as easy as telling your loved one that his or her instincts are right.
CANCER (June 22-July 22). In unfamiliar situations, everyone is a stranger until you introduce yourself. At times, you can find this to be intimidating, but you didn't get where you are today by waiting for things to happen.
LEO (July 23-Aug. 22). Helping others is the main event. The downside is minor - a little time out of your day. The upside: When you do nice things, people want to return the favor. Looks like you win two times over.
VIRGO (Aug. 23-Sept. 22). It's rather easy to stay on track. For one thing, the truth just sounds right. What's good for you feels good. And all around you, there is evidence meant to show you how beautiful you really are.
LIBRA (Sept. 23-Oct. 23). Cosmic forces coalesce to bring you fiscal gains - that is if you prove you are a capable manager of the money you already have. If you don't have a financial plan, make one now.
SCORPIO (Oct. 24-Nov. 21). It seems people are going out of their way to be aggravating. Make a call to a like-minded individual for a brief gripe session this afternoon. Better to talk out your aggression than be involved in a road rage incident.
SAGITTARIUS (Nov. 22-Dec. 21). You'll see tangible results for the rather ethereal personal work that you've been doing. Some aspect of your persona will be traded in for a shiny new model - one that fits your new image of yourself.
CAPRICORN (Dec. 22-Jan. 19). It's normal to feel vulnerable when in the midst of transition. Know that this willingness to be just yourself - no more, no less - is terribly attractive. You'll meet someone new.
AQUARIUS (Jan. 20-Feb. 18). Life brings you people to teach and to learn from. Singles: A new relationship is going better than you could have ever expected. Neither one of you likes cooked carrots, and if that's not a good sign, what is?
PISCES (Feb. 19-March 20). You may share work, home life and other responsibilities with a loved one. But the most romantic thing you can share is play. So remain playful, even while engaged in a mundane or serious process.
