Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (October 25). Your powers of imagination are incredibly strong this year! Imagine a way to harness the winds of fortune, and make them do your bidding. The right people help you do this. Unconditional support and love are what you deserve, so accept only that. Travel to foreign lands in April. Bonds with Cancer and Gemini are fortifying to your soul. Your lucky numbers are: 8, 4, 52, 14 and 9.

ARIES (March 21-April 19). You've been thinking far into the future, which serves to keep you on track. If you continue in this productive manner, your legacy will be sublime. Your industriousness is not bad for the present either.

TAURUS (April 20-May 20). Knowledge gives substance to your work. Being accomplished in your field gives it sparkle. You may not know everything there is to know about your job, but you are respected when you show your credentials.

GEMINI (May 21-June 21). You'll attempt much. There are many objections to what you're trying to do, but luckily, you won't have to overcome them in order to move forward. You will, however, have to listen to them.

CANCER (June 22-July 22). You're called on to be empathetic. It's easy to have compassion for your fellow man. All you have to do is review your own list of personal sins, and soon you'll be feeling mighty forgiving.

LEO (July 23-Aug. 22). It seems that suggestions are whispered to you wherever you go - not that you were asking! Take it as a sign from the universe. When you go where providence leads, you wind up most delighted!

VIRGO (Aug. 23-Sept. 22). Your aversion to drama is admirable. A regular and orderly daily

life allows you to be outrageous and sensation-
al in your working world, especially if you're in
a creative field.

LIBRA (Sept. 23-Oct. 23). Too many rules de-
stroy art - and love is an art. Be easy-going
with your loved ones. Make it comfortable to be
with you. As a result, you'll enjoy an abundance
of affection.

SCORPIO (Oct. 24-Nov. 21). You're being en-
ticed. Consider who the enticer is and what he
or she has to gain. If someone you usually trust
is the one trying to persuade you, then go out
on a limb. After all, that's where the fruit is.

SAGITTARIUS (Nov. 22-Dec. 21). People bor-
row from you. This is a compliment. But when
they don't return your goods or they don't
credit you, it certainly doesn't feel like a com-
pliment. Fight for what's yours.

CAPRICORN (Dec. 22-Jan. 19). What you
know counts to you. But if nobody knows what
you know, it hardly counts to the rest of the
world. Today, you'll be walking that fine line be-
tween being an annoying know-it-all and mere-
ly sharing your knowledge.

AQUARIUS (Jan. 20-Feb. 18). You seem to
have a built-in device that directs you to where
the "cool" people are in every environment. Use
it today to network. You'll soon be glad you
made some new contacts.

PISCES (Feb. 19-March 20). Outside forces af-
fect an organization you belong to. Your lead-
ership is needed. Sometimes critical blows to
a group are galvanizing events. You have a way
of helping people get the most out of a situa-
tion.
