Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 11). You
break from self-enforced prisons, enjoying
freedom in the very area you once associated
with suffering. Education plays a huge part in
this in December. Someone with a sensational
outlook comes into your life in January. Love
may look nothing like you imagined, but your
heart is fulfilled. Your connections with Aries
and Leo are strong. Your lucky numbers are: 8,
20, 15, 33 and 35.

ARIES (March 21-April 19). Boredom and dis-
interest are easily turned around by hanging
out with the celebrity of your family or your of-
fice -- wait, that's you. So the responsibility is
on you to lift the spirits of the whole group! You
can handle it!

TAURUS (April 20-May 20). Your head is filled
with unreasonable ideas, and that's what keeps
you motivated. Security is the murderer of a
dream. Give up something safe and steady for
what you really want.

GEMINI (May 21-June 21). In your fantasy life,
you have a personal assistant, a chef, a driver
and someone who looks after your feet. In your
real life, you do a pretty good job of taking care
of yourself. Give yourself props, and then get a
pedicure anyway!

CANCER (June 22-July 22). Keeping it fresh is
the order of the day. While some invest in
makeup, surgery or a new pair of hip jeans, you
know the secret: You're only as "happening" as
your mind. Take yourself to school tonight. It's
worth the investment.

LEO (July 23-Aug. 22). Study your setbacks, as
embarrassing as they may seem. Everyone has
made mistakes -- at least yours were made out
of the goodness of your great, big, trusting,
naive heart.

VIRGO (Aug. 23-Sept. 22). Look around you

from the point of view of someone who is new
to your world. Can you see how powerful you
are? It may even be intimidating to the very
person you want to be soft and accommodat-
ing toward.

LIBRA (Sept. 23-Oct. 23). Others carry out
your orders quickly because the way you deal
with people is so gracious. It doesn't seem
like you're giving orders at all -- merely sug-
gestions for better living.

SCORPIO (Oct. 24-Nov. 21). The planets seem
to have written your phone number on the cos-
mic bathroom wall. Everyone is calling you,
and some of their requests are weird. Lower
your profile tonight. Take time to confer with
yourself.

SAGITTARIUS (Nov. 22-Dec. 21). You recover
from a late start if you organize your time wis-
ely. Weigh intelligence more heavily than expe-
rience when hiring or dating. A bold step into the
unknown is featured tonight.

CAPRICORN (Dec. 22-Jan. 19). Not usually
one to act without thinking, you are in for a sur-
prise. Your passionate nature emerges in a big
way -- some of you could even get married on
a whim. Pisces and Libra are excellent choices
for partnership of all kinds.

AQUARIUS (Jan. 20-Feb. 18). There's a clear-
cut high road and low road. You know the dif-
ference and make a conscious choice. There are
financial rewards for your integrity, but of
course, that has nothing to do with the reason
you're so honest.

PISCES (Feb. 19-March 20). Dictators never
last long. People around them fake loyalty for
a while, but revolution is always the end result.
You'll lead others to overturn the "bully" in your
environment.
