Horoscope by Holiday Mathis

TODAY'S BIRTHDAY (November 18). You're vivid and full of possibilities. Let special people in your life know your love. They reflect back optimism and happiness, the likes of which bring on a surge of confidence. Financial gain marks the beginning of the year. Education is an investment that pays you back this summer. You have passionate connections with Taurus and Aquarius. Your lucky numbers are: 9, 7, 12, 4 and 32.

ARIES (March 21-April 19). In matters of the heart, you will be teaching others to respect you. Hold fast to your priorities. Let nothing shake you from what you consider to be important.

TAURUS (April 20-May 20). The planets align to pump up your confidence! You'll enjoy satisfying results from a kind of sales pitch -- of course, regardless of what you think you're selling, you're always selling yourself.

GEMINI (May 21-June 21). People need you, but you need you, too! Fortify your boundaries, especially around your most precious commodity -- your time. No one can take advantage of your time without first obtaining your permission.

CANCER (June 22-July 22). Interruptions are more seductive when you're not sure where you're going. Take the time to plan into your future. What is urgent is likely not to be of consequence to your big picture. Think before you react.

LEO (July 23-Aug. 22). Conventional thinking is that you are either on task or you are off task, on purpose or off purpose. You're living a very unconventional life, though, and managing it in a more intuitive way. Trust yourself.

VIRGO (Aug. 23-Sept. 22). What was once valuable to you has now become "so yesterday." This is a sign of your evolution! Simplify

your life by removing that which has lost appeal. One person's clutter is another person's thrill.

LIBRA (Sept. 23-Oct. 23). Your interaction with others can be draining. Don't withhold your opinion or morph into what's expected. You're not running for office. (Unless, of course, you are running for office.) People adore the real you.

SCORPIO (Oct. 24-Nov. 21). You arrive on the scene with one intention -- to solve problems. It's what sets you apart from the others who are there to showboat or feel important. Tonight, you're way too attractive. Loved ones will be jealous!

SAGITTARIUS (Nov. 22-Dec. 21). Take calculated risks. You can pull off maneuvers that amaze even yourself. A Cancer or a Leo will be a reference -- you don't have to reinvent the wheel.

CAPRICORN (Dec. 22-Jan. 19). You get a chance to test out your street savvy. Figure people out. Find the path of least resistance. That's not such a bad path to take when you're in a hurry to get somewhere, like you are today.

AQUARIUS (Jan. 20-Feb. 18). You're not as talkative as usual, but some feelings are beyond words. Your quiet determination impresses others. You'll finally be able to cooperate with someone without compromising your vision.

PISCES (Feb. 19-March 20). You have influence. Use it wisely. Persuade others to do only what is in their best interest, even if it doesn't seem best for you in the short term. When you do this, synchronistic events make your way easier.
