Not enough time to find that perfect gift before returning home for the holidays? The Emerald is helping to ease the stress of the frantic gift-giving season with our own holiday gift guide — chock full of surefire presents and gift ideas for everyone in your life.

KitchenAid Silicone Spatulas
\$4.99 at Target stores
One word of advice for the modern cook: Silicone. It's the hottest new kitchen material, and has nothing to do with anesthesia or surgery. Unlike normal plastic, silicone is heat resistant up to 500 degrees Fahrenheit, so it won't melt into your risotto and its soft rubber texture won't ruin your non-stick coated pans with scratches. Available in four colors; black, blue, white and red.

Danica Three-Piece Breakfast Set
\$20 at Modern
207 E. Fifth St.
541-686-1935

These breakfast sets contain one 7.5" plate, one 6" bowl and one 11oz. mug. The brightly-patterned porcelain breakfast set comes in a matching gift box ready to give as a gift.

Chefmate Copper base/Stainless steel fry pans
10" \$17.99
12" \$19.99 at Target stores
The heavy gauge stainless steel construction and riveted die-cast handles make this pot durable while the hand-polished interiors and exteriors will make it the jewel of the pot rack. Encapsulated aluminum/copper bottoms create even heating and because these pans are oven safe up to 450 degrees Fahrenheit you can start on the stove and finish a dish in the oven.

Oster Immersion Hand Blender
\$19.99 at Target stores
The one kitchen tool that promises to do it all — and succeeds. Immersion blenders are perfect for whipping up creamy hot soups on cold winter nights without a lot of mess. Blend right in the pot and rinse clean. The 2-speed hand blender with pulse action is driven by 250-watt motor and comes with a measuring/blending cup.
