At Eugene during September permits to build eleven houses were granted. One of these was for a fraternity house to cost \$6,549, and one for a \$2,000 residence. The remainder were for buildings costing \$1250 and less.

Miss Esther Nichols, a trained nurse from the Chicago training school, who is now located at Dayton, Ore., has been here for some time visiting her friend, Miss LaVerne Johnson, who lately returned from the North Pacific Sanatorium at Portland.

Word from Prof. C. I. Lewis is to the effect that he continues to improve and expects to be at home from the Portland sanatorium in two or three weeks. Mr. Lewis had a rather bad case of nervous prostration, but is now able to walk about and it is expected that he will recover his normal health before long.

Jack Milne has joined a couple of Salemites in handling the Rambler autos in this section. The three gentlemen have Marion, Polk and Benton counties and expect to do some business. They have a 45 horse power roadster for demonstration purposes and it certainly is a hummer. The Rambler is not very well known on the coast but is a very popular machine in the East.

Robert, five-year-old son of Caleb Davis, died Tuesday afternoon at 3:30 o'clock. The little fellow had not been ill until Tuesday morning, a telephone message about 9 o'clock calling Mr. Davis from the store. A physician was called and pronounced the difficulty heart failure. There was an excellent improvement during the day and up until twenty minutes of the death such a visitation was not expected. The funeral service will take place tomorrow at 10 a. m. and interment made at the Newton cemetery. Mr. and Mrs. Davis have the warm sympathy of many friends in their sudden bereavement.

Lakeview Examiner:—A case of moral delinquency, involving a girl of less than 14 years of age, and 12 or 15 men has come to the attention of the authorities. Warrants are out for the arrest of the men. It is a statutory offense. The girl who ran away from home was a willing participant and remained with the men in a sheep camp for two days and nights. Under the law the crime is rape, which means from 25 to 30 years in the penitentiary for each man if apprehended. The officers are in hot pursuit of the men. The girl will probably be sent to the reform school. She comes from one of the best families here. It is a sad case.

An advance notice says: "The attraction announced for October 18th at the opera house, is that nifty song show "The Sunny Side of Broadway" with Max Bloom, one of the best of musical comedy comedians, and the management has surrounded him with the pick of show girls, and a cast of principals of unsurpassed ability. This production was seen here two years ago with Murray & Mack as the leading fun makers, when it was well received. The merits of the comedy are too well known to need comment; new faces, new comedy and new effects all go toward making the show first-class. It will appear all next week at the Baker theater in Portland."

DOINGS AT THE "A. C." COLLEGE

O. A. C. plays Whitman at Walla Walla on October 29th. The last time an Oregon team was at Walla Walla it was beaten 6 to 0. This was the University team. Press dispatches say Whitman is making great preparations to give O. A. C. the same sort of reception.

The college Chorus, which met Monday night for the first time this year, was attended by a goodly number of students, but too few of the boys were on deck. Inasmuch as the hour at which choral rehearsals are held is one that is seldom put to any good use, it seems that the boys might well join the chorus, have some good fun and get 'excellent practice in ensemble work. Henkle & Davis

Gaskins gives his service free and is anxious to develop a chorus that will be truly creditable to the institution. It takes male voices, as well as sopranos and altos, to accomplish this.

The College Glee Club has begun work already and the prospect for perfecting a splendid singing organization this year is very good. Farnsworth, Tracy and Phil Standish and others of last year's bunch are missing, but six or eight of the old "stand-bys" are here and several new and good voices have been found. The College Glee Club did remarkably well last year, appearing very successfully at the great oratorical contest. Some excellent judges who heard the Whitman Glee Club when it was here, say that the O. A. C. Glee Club was second to that organization only in its limited repertoire. O. A. C. had as good voices and did as good work, but begun too late in the year to work up a large number of selections. The Club is getting started right this year and will certainly give a good account of itself.

The college has made it mandatory that all students be present at convocation each Wednesday. Considering the fact that students of many other institutions are required to attend five times a week, the students here have no kick coming.

The presidents of all literary societies will hold a meeting with Prof. Hetzel in Room four Administration building, Thursday at 4:50. Arrangements will be made for the opening of literary work, debating, etc.

The Juniors will hold a class meeting tonight in the band hall. This is for the election of officers.

All men interested in athletics are expected to put in their appearance at a big meeting on the athletic field Saturday morning.

Elections will take place on October 14th.

DR. PERNOT VICTIM OF POISON

(Portland Journal, Monday.)

Dr. H. S. Pernot, a well-known Corvallis physician is the victim of a severe case of ptomaine poisoning, following a meal Saturday evening. Accompanied by his wife, he arrived in Portland Saturday morning, bringing a patient for an operation in a Portland hospital. The following morning Dr. and Mrs. Pernot were to leave for Seattle for

a visit to the A.-Y.-P. exposition.

At 8 o'clock Saturday evening they had dinner at the Hof Brau, where the doctor was served with a dish of liver and bacon. At 11 o'clock they retired for the night at Hotel Seward, and shortly afterward Dr. Pernot was seized with a violent illness.

The symptoms were at once recognized as ptomaine poisoning, and remedies were applied accordingly. The doctor remained violently ill throughout the night and the following day. The trip to Seattle had to be abandoned, and this afternoon, much weakened, though still suffering, Dr. and Mrs. Pernot are leaving for their home at Corvallis.

At the drug pharmacy where remedies for the case were purchased, it was stated by the night clerk that the case was the third of ptomaine poisoning for which remedies had been purchased during the evening. At the same place it was also stated that of late many cases of the sort are of frequent occurrence.
