Remember there are no restrictions placed on you whatever. We leave to your own free will to select the color and style to suit your taste.

The shops of Paris, Berlin and Vienna and other fashion centers are studied by LaVogue designers. The correct style idea adopted---the impractical features eliminated---and LaVogue styles created. They are especially cut to fit with ease and grace, conforming to the refined, natural lines of the American figure. Each garment is individually tailored, fitted and inspected---is practically made especially for the wearer, and looks it. Made in natural weaves and fashionable colors. All fabrics used in these suits are products of the world's best mills. Faultless, workmanship, shields in all suits, linings piped and protected at neck and under collar; many other details such as buttons reinforced by small pearl buttons inside, insure you satisfactory wear and enduring shapeliness.
