# The City and Vicinity

All the news all the time in THE GAZETTE-TIMES, 50c per month.

Born last week—to Mrs. Fred Hill, at Scotts' Mills, Marion county, a daughter. Mr. Hill is a graduate of O. A. C.

There were exactly twenty-eight chorus girls in the show last night, and a dozen men. More could not get on this stage to any advantage.

Chief Wells has in his possession a lady's new belt found this morning. This is a combination leather and rubber belt with pearl fastenings.

Most of the Corvallis stores are now displaying holiday goods. Many of the windows have displays of what will make acceptable presents. The people who buy early will have the best choice.

The "Land of Nod" company distributed some very novel advertising at the performance last night, the kind that the possessor keeps in his pocket and shows to the other fellow. It costs a little more but is always worth the while.

Since early this morning six or more inches of snow has fallen. The weather shows no disposition to moderate or grow colder, so there is a prospect of a heavy snowfall. It may be that the heavy fall that marked last January or February will be duplicated at this time. Last year's fall, however, ended with a rain and heavy floods of the Willamette and Columbia.

At a special meeting of the O. A. C. student body, following the drill hour yesterday, Coach Sol S. Metzger was presented with a gold watch and chain, and Sol "flunked." Such a testimonial is not common in the first year of any coach, and then Metzger had no inkling of what the student body was up to. This presentation was certainly a fine token of the esteem in which Mr. Metzger is held.

Albany was visited by a shop lifter yesterday. A woman went around to several places helping herself to things. At Chambers & McCune she was spotted and made to give up what she had stolen. Going to her room at Russ House other things were found, and she confessed to having taken things at different places, a fur at Hamilton's among other things. On returning everything she was allowed to go. —Albany Democrat.

There is more or less disappointment among the officials at the size of the fine assessed against the bootlegger who subscribed himself officially as Ed. Wilson Wyatt. It is so hard to catch bootleggers and so hard to convict them, even when caught with goods in their possession and record of their sales, that the officials feel a \$50 fine is inadequate. The intent is to make an example of each convicted man so that others tempted to engage in the illegal traffic will cut it out. Fifty dollars isn't much to a fellow who can sell his booze at \$1.00 a pint and buy it at \$2.00 or \$3.00 a gallon.

Following the King Doodlebug show, the next really great event in Corvallis will be the Presbyterian Bazaar, chicken dinner, and sale of cooked foods at the old Gazette building on Madison street, December 15. The ladies of the church and congregation have made a great lot of the finest Christmas gifts imaginable, just the kind particular people like to give, and they will sell these at genuine bargain prices. The list includes a little of everything from doilies and aprons to hand-worked scarfs, table cloths, hand-bags, and all that kind of material. Remember day and date.

The case of Bailey vs. Benton county comes up at Dallas on Monday for the second time. Bailey, who lives north of Corvallis, represents that a culvert broke down with him while he was driving a team, and in the resultant accident he was more or less injured. The county offered to pay him about \$200 but Bailey would not stand for this. The case was venued to Polk county last spring, but the pleadings were faulty and the case continued until now, that the complaint might be amended. Commissioner Smith, Deputy Clerk Robert Johnson and others from here will have to go over.

Coach Metzger has presented loving cups to the two football men who went through the season's schedule of games without taking out time for injury. The recipients of these coveted trophies were Captain Evenden and Hawley. At the opening of the season Metzger promised this reward to every man who would fight through the season without the loss of a minute's time, but expressed a doubt as to any one's being able to earn the reward. The cups bear the inscription: "To the man who was always in the game." At a meeting of the athletic board the official athletic insignia was awarded to the following men: Evenden, Dunn, Nelson, Hawley, Wallace, Loosley, Clark, Breithaupt, Huntley, Gilbert, Keck, Enberg, Bergman, Rasmussen, Reynolds and Wolff.

R. H. Huston and others who bought cutters last year may get to use them before the present spell is over.

Tonight at Waldo Hall Coach Metzger and the O. A. C. team will be given a royal good time by the Cauthorn Hall club.

The body of Charles Cochell was taken to Albany last night and will be buried tomorrow at 2 o'clock. Cochell was a member of Company G, state militia, and will be buried by that organization. The unfortunate young man had been braking only about three or four weeks. Conductor Riley and members of the train crew will go to the funeral tomorrow.

## Stung For 15 Years

By Indigestion's pangs—trying many doctors and \$200.00 worth of medicine in vain, B. F. Ayscue, of Ingleside, N. C., at last used Dr. King's New Life Pills, and writes they wholly cured him. They cure constipation, biliousness, sick headache, stomach, liver, kidney and bowel troubles. 25 cents at all druggists.

## What is Hyomei?

You Have Heard About the Catarrh Cure Graham & Wells Guarantees.

Hyomei is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back.

It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of inland Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomei is made more efficient, pleasant and quick acting by the addition of Thymol, an antiseptic and disinfectant largely employed in the Listerian System. Guaiacol and other important medicinal agents are also included in the Hyomei formula, which, no doubt, is the greatest destroyer of catarrh germs the world has ever known.

Hyomei is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug.
