Irwin Crume On O.T.I. Honor Roll

Irwin Crume, who graduated from OTI on June 2 under the Klamath Education Program, was on the OTI honor roll for spring term. Irwin, an Auto Mechanics student, had a 4.00 or straight A average for the term.

O.T.I. To Discontinue Two Courses

As of the end of the past school year two courses, Baking and Watchmaking, have been discontinued indefinitely at O.T.I. In addition, the sports equipment course will not be offered during the 1957-58 school year but will be resumed in September 1958.

and Alton Thompson indicated that they will seek employment in their respective fields in the San Francisco area through the relocation program. Clarence Courtney intends to either take a job in Sanitation Engineering or receive more training in the field at Oregon State College. Finley Barney will do advanced study in the commercial art field during the coming school year at Advertising Art School in Portland. Eugene Keane is also interested in further training and has enrolled for summer school at Northwest Technical Institute in Portland, where he is taking Heavy Equipment Operation. Nancy Gentry and Irwin Crume are as yet undecided on their post-graduation plans.

K. Hatcher To Resign, To Resume Training

Karen Hatcher, who has been rendering the Klamath Education Program efficient service during the past year as a Clerk Stenographer I, will resign from the Program effective July 1. She plans to resume her training at Northwestern School of Commerce in Portland, where she has already completed a nine months course in Junior Accounting. She intends to enroll in the Personal Secretarial Course, and will begin classes July 15.
