KLAMATH INFORMATION AND EDUCATION PROGRAM

MAY 1960

Clyde James Jr. Translates Outdoor Interests Into Educational, Career Objectives

Interested in horses, guns, ranching, saddles, rodeos — just about everything western — is Clyde "Sonny" James, Jr. Clyde, a gunsmithing student at OTI under the Klamath Education Program, traces the development of many of his outdoor interests to his high school days at Taos, New Mexico. There, his membership in F.F.A. (Future Farmers of America) did much to stimulate his interests in ranching, stock raising. Operating a 40-acre place, he did a lot of cattle and pig raising as F.F.A. projects and won such awards as "star chapter green-hand farmer" and "star chapter

farmer." He also garnered honors for good practices in dairy farming, water and soil management, and farm mechanics. His third and final year of F.F.A. work was culminated by receipt of a state farmer degree. Clyde belonged to and served as president of the rifle and ski clubs at Taos. He advises that snow was not lacking for ski enthusiasts as the elevation is some 7,000 feet which, he adds, results in an exceptional climate. He also belonged to CAP (Civil Air Patrol), serving as an observer. And he still found time at Taos to take up a few indoor

Exec.-Committee Informed of State Forestry Operational Procedure, AFSC Plans For Community Development Program

Dealing with a wide variety of matters relating to tribal government in recent months has been the executive committee. Committee members are: Front, left to right, Boyd Jackson, Delford Lang, Seldon Kirk, Dibbon Cook, Elnathan Davis. Standing are, left to right, Jesse Kirk, Joe Ball, Irwin Crume. The committee has scheduled a general council meeting for June.

Nominations of General Council Officers is the first major item on the agenda of the Klamath General Council which has been scheduled for June 9, 1960 at 10 A. M. at the Klamath Council house.

Other matters to be considered at the council meeting in order of their appearance on the agenda are as follows:

The introduction of Candidates, state and national (if any); Report by Area Officials regarding status of Klamath Terminal Program, resolutions, etc. (Klamath Marsh); Report by the State Board of Forestry; Resolution: Regarding employing the services of F. Darold Windsor and George P. Haley, attorneys; Report: Status of Klamath Boundary Case; Resolution regarding sub-surface rights.

This will be a regular meeting of the Tribe being called in accordance with the Constitution and By-laws of the Klamath General Council. Provision is being made for the serving of lunch at 11:30 A. M.

The following is a report covering the Executive Committee meetings of April 8, April 29, and May 19 at which a wide variety

of issues was discussed, and important resolutions considered.

A letter dated May 9, 1960, was read during the committee meeting of May 17 in which the Klamath Tribal Executive Committee was informed that the American Friends Service Committee has accepted the invitation of many local organizations and individuals to engage in a program of social and technical assistance on the Klamath Reservation.

Mr. and Mrs. Emmett Gulley, who have been selected for the project, will arrive early this summer to launch the year-round program. It was announced that "Mr. Gulley, in addition to having been a college professor and college president, has been associated at various times with the American Friends Service Committee over a period of many years. He represented the Committee in Spain, doing relief work during the revolution in that country; in Cuba working with refugees from Germany before the war; in Palestine working with the Arab refugees; and more recently in Canada working with the Doukaboris."

Assisting the Klamath Reser-
