MEXICAN CITY IS IN TERROR

Foreigners Warned to Flee as Federal Troops Advance.

Piedras Negras, Mex.—Terror has gripped this city, the provisional cap-ital of the Mexican Constitutionalists, hundreds of refugees from the surrounding devastated country.

Obeying the instructions of United States Consul Blocker, American residents of Piedras Negras joined the ex odus and hundreds of persons crossed the international bridge into Eagle county court to call a special election has notified applicants for lands in Pass, many carrying on their backs in November next for the purpose of their possessions as they voting on the question of tenting \$450.

the rebel army is being driven north-ward by the government troops under General Mans the retreating insurgents are setting fire to villages.

Reports from the front indicate that the Federals are closing in on the to town of Sabinas, from which the Constitutionalists are expected to fall back on either Matamoras, across the

from San Antonio to reinforce the

garrison at Eagle Pass. W. W. Vaughan, a well-known engineer, and Alford Williams, a druggist, were ordered peremptorily to vacate their homes with their families bond issue, but it is proposed to ex-on constitutionalist notification that the property would be destroyed, de-year raising the full 10-mill tax alspite any protest to the American gov-ernment, for the reason that it was owned by federal sympathizers. Per-mission was refused to many Mexican refugees and a large number of Jap-anese to enter the United States.

## DAMAGE IN FRANCE

### Storm Kills Fourteen, Injures 30 and Many Are Missing.

Cebere, France.-A terrific thunder storm, which raged for 12 hours, has spread death and ruin throughout this city. Fourteen persons are known to have been killed and 30 injured, and there are many missing. A stream which passes through the

city was soon over its banks and flooded the streets. In a hardware establishment, petroleum, alcohol and other inflammables and a cask of caldum carbide were stored, the water dissolved the chemical and enormous volumes of gas were formed. A ter-rific explosion occurred, which completely wrecked two buildings and en-veloped two others in flames. Three Five families were buried outright. in the ruins.

Nearly every house in Cebere is flooded and quantities of the provisions have been spoiled.

In answer to an urgent appeal from et the pressing needs of the inhabitants. A company of infantry was rushed from Collcure to assist in the rescue work and search the ruins.

The floods also carried away the greater part of the Pauliles dynamite factory and caused tremendous damage throughout the department. The railroad has been washed out in several places and a passenger train is the past season imprisoned in the tunnel at Banyuls-

vein since last Friday morning, was heard through a tube 50 feet long which had been inserted in a hole bored through a wall of coal from an adjoining gallery. His first inquiry was about his family.

"Tell them not to worry too much," he said, "as I am in pretty good shape. Since I got those bottle of milk and whipped eggs I feel much stronger. I had a long sleep after I ate and drank. I think I'll be rescued before there is another fall of top and coals' The entombed man said he was nervous because of the long confinement and absolute quiet.

### Woman Walks 1500 Miles.

Minneapolis.-Finishing a 1500-mile walk on the trail of Edward Payson Weston, Mrs. Marie Cuesard dietown, N. Y., mother of ten children, three of whom accompanied her, arrived in Minneapolis Tuesday, having left New York City on July 31. Roseburg.—Douglas county experi-enced its heaviest rainfall for the season Sunday, when a trifle over 90-100 of an inch of rain fell in 10 hours. With most of the prune crop safe in the dryers, the rain is considered ben-

OUT LARGE ACREAGE IS TAKEN UP

Coos County Court Asked to Call Hundreds Are Seeking Homesteads on Lake County Lands.

Ficksburg -The forestry service consul Blocker's warning to foreigners to quit Piedras Negras immediately was in anticipation of rioting should the Constitutionalists be forced to abandon their provisional capital. As the rebel army is being driven north ward by the when designated by the secretary of the interior. Hundreds of people from all see

tions of the country are coming to the new country. One family consisting of three girls and two boys have can the work of hard surfacing the settled on 1600 acres adjoining and 100 miles be accomplished with the intend to make their holding one of the finest grain and stock ranches in the state. One settlement of 30 familles has come into the Christmas valhigh-grade dairy stock, using the rich bunch grass lands as a pasture, grov ing their winter feed and sending their products to the local cheese factory and creamery. As each one in this party is financially equipped to andle their lands, it means tep forward in this new country.

The yield of grain, hay and forage

rops throughout the county this year is fully 50 per cent above an average from the federals for having aided the constitutionalists.

It is reported that many prisoners confined in the jail on sedition charges proposed trunk line realize that its estimated about two-thirds of what have been shot, among them Felips construction will better the sediment through southern Lake county has a phenomenal crop of hay and grain, and optimistic farmers before threshing proposed trunk line realize that its The only ex threshed and sacked. ception to the rule is in the centra part or the Summer Lake vailey where it has been about one-third less Northern Lake, where the new home stead settlements have recently sprung up, has demonstrated beyond shadow of a doubt that even with ordinary methods of farming, such is used in all unirrigated countries the grain and hay crops are sure, and where summer fallowing and ture conserving is the rule there is not the slightest chance of a crop fail-Threshing now going on shows a profit equal in many instances to that obtained on high-priced lands

FARMERS BUY FLOUR MILL Plant at Burns to Be Operated on

Co-operative Plan.

Burns -- About 50 farmers of the Harney vailey have organized a co operative company and have taken over the Burns flouring mill property, including more than 200 acres of land and the waterpower on the Silvie river a short distance north of the city, which has been owned and oper ated the past few years by a corpora

tion composed of Burns business men The mill is equipped with modern machinery and turns out a first-class grade of flour. It is the intention of the new owners to run it to its ca pacity and to sell the product at such a price as practically will make it impossible for mills in outside points to ship flour to this county and com

It is also the intention to establish packing plant in connection with hog products. This will encourage the raising of hogs, which have been increasing rapidly the past few years. It is the intention of the new organi zation to buy all the grain handle at the best price it can afford and such as cannot be ground wil be fed to hogs, either around the mill or on the farms of the grain-growers, and these will be handled at the pack

GRAND RONDE FRUIT IS SOLD

More Than 25 Cars of Hail Specked Apples Reported Bought.

La Grande.-Notwithstanding the that it was rumored that the Grand Ronde would be passed up by the apple buyers this year, reports are being received from throughout the valley indicating that more than 25 of second-grade apples, chiefly of the Ben Davis variety, are already contracted for at the price of \$1.15 per box. The advance buying appear to be in the hall-specked apples, which is accounted for to a great extent by the fact that the growers are loathe at this time to sell their fancy stock The Suncrest people use more than contracted at \$1.30 a box and it is 190 lights, besides power, and the expected that the better varieties of farmers are supplied with current for Jonathans, Winter Bananas and Spitz-Two cars of fancy Ganos are reported farmers are supplied with current to farmers are supplied with the farmers are supplied with current to farmers are supplied with the considerably stiffer.

### Astoria to Raise \$100,000.

Astoria.—The Port of Astoria commission has voted to levy a tax of 5 mills on this year's roll. That will raise approximately \$100,000, or suf-ficient to pay for the property recent ly purchased as a site for a public dock, to make up the amount subscribed for assisting in improving the mouth of the river and pay the com-mission's current expenses during the ensuing year. The question of chang-ing the pier head line so as to permit the North Bank company to build its proposed new steamship dock was tak

### Oregon Receives \$55,000

Salem.—Governor West has received a check for \$55,000 from Secretary of the Treasury McAdoo, which is 25 per cent of the income from federal forest reserves up to June 30, 1913.
