hurst, addressing in Madison Square Garden her first American mass meet- yards and corrals have been enlarged of the people.

The title of the measure now will be explained why military methods and improved. for the cause of woman suffrage are followed in England, and defended such methods. She criticised the British government as the most conservative on earth and held it responsible, through failure to enact legislation desired by women, for the action of advocates of suffrage in resorting to violence to obtain the ballot.

Only through dynamic means, she declared, could English women hope to secure laws dealing with white slavery, industrial evils and other conditions affecting women.

Preparations had been made for an overflow meeting at Madison Square Garden, but the big hall, with a seating capacity of about 12,000 persons, was scarcely one-quarter filled. This was attributed by the suffragists to Siskiyous may be expected, as the the uncertainty existing until almost camp easily is accessible and is only the eleventh hour as to whether the immigration authorities would allow Mrs. Pankhurst to land in this country.

Great Britain is the ranges, ultimately to be shipped to employ an irrigation manager, and it Chicago. Theoretically, the shipation which will bring together at ments, from a railroad standpoint, are Wallace, who holds the same position Hampton Roads the greatest fleet ever through to Chicago, with feeding in with the West Side Waterusers' assotransit.

> Thus far this year 80,000 head of sheep have been shipped from Bend, ccording to Traveling Freight Agent T. Hardy, of the Oregon Trunk, who is here handling the railroad end of this contingent. Of these, some 50,-60 have gone to the winter feeding country, on the return trip from the forest reserve summer ranges reached from Bend.

Thus far the last shipments have on October 12, 27 cars. In all, the long-haul shipments of the season from Bend will total in excess of 150 cars. As the average freight on these to Chicago is about \$218, the revenue derived by the railroads from sheep shipments originating in Bend alone this summer will come to more than \$22,000, exclusive of the large shorthaul shipments. So far as the central Oregon roads are concerned this plum the fattest of any originating in cen-tral Oregon since the roads were constructed. Next to it, lumber ship-ments from Bend, which average about 30 cars a month, have proved New York—Mrs. Emmaline Pank-the carriers.

To handle the sheep here the stock

First Ledge Ever Found is Made By Highway Surveyors.

Medford.-While working on the new survey for the permanent highway over the Siskiyous the gang of men under Assistant State Highway Engineer Kittridge struck a three-foot gold ledge, which caused so much ex-citement that work was suspended the rest of the day.

A. D. Walters, a member of the

gang, returned to Medford with a bas-ket of ore, which, local mining men declare of a high grade, and if this opinion is verified at the local assay-ing office a miniature rush to the engineering camp on the crest of the camp easily is accessible and is only a short distance from the Southern Pacific right of way.

New York - Eugene B. Scales, of footbills of the west range.

ledges were found he would be forced district.

FERRYMAN LASSOES A DEER

Young Buck Captured From Launch on Venturing Into River.

Hood River.—A young buck deer swimming in the Columbia was lassoed Sunday by Captain Otis D. Trieproprietor of the Underwood-"While I was on the Washington

bank I saw the deer enter the water, "The deer was as quick in the water as a duck and it kept me busy to head him off from the shore. was alone in the boat and had to steer couraged. boat entirely over him."

The deer is now tied to a tree in Underwood, Wash.

Many Immigrants Coming.

Roseburg .- T. J. Ryan, wife and two Oregon's low death rate, etc. children, of Portland, arrived here recently after a four months' tour of Europe. Mr. Ryan owns considerable land in Douglas county which he will Mr. Ryan says he was disappointed with the old country, and is glad to get back to Oregon. He predicts a heavy immigration to the United States during the next few years. The steamship companies, he says, present selling tickets to the United States on the installment plan, many San Francisco-A young girl planist of which will become effective next
