MY WORK IS THE BEST RECOMMENDATION  
ST. HELENS, OREGON

Salem, Ore, Dec. 1.

To the Editor:

We wish to ask your kind co-operation in a movement to connect our unemployed with a job. There are undoubtedly many residents of your county who could use the services of a good hand this winter and there are many idle men in Portland and other cities in this state who would be glad to have a place.

If you will be kind enough to run this letter and attached information blank in a few issues of your paper our plan will be called to the attention of those needing a hand. Any requests for labor made to our offices will at once be taken up with those who are hunting for employment. Assuring you that your co-operation will be greatly appreciated, I am

Yours very truly,  
Oswald West, Governor.

**OREGON AGRICULTURAL COLLEGE  
FARMERS' WEEK**

December 8 to 13, 1913

This will be a notable event in the history of Oregon.

Farmers' Co-operation will be the leading topic of a stimulating series of lectures. The week will be crowded with discussions, and demonstrations in everything that makes for the welfare of the farmer and home-maker.

**WINTER SHORT COURSE  
January 5 to 30, 1914**

The College has spared no effort to make this the most complete short course in its history. A very wide range of courses will be offered in General Agriculture, Horticulture, Animal Husbandry, Dairying, Poultry Keeping, Mechanic Arts, Domestic Science and Art, Commerce, Forestry and Music. Numerous lectures and discussions on Farmers' Co-operation, at home and abroad, will be a leading feature. Make this a pleasant and profitable winter outing. No tuition. Accommodations reasonable. Reduced rates on all railroads. For further information address

H. M. TENNANT, Registrar,  
Corvallis, Oregon.  
Farmers' Business Course by Correspondence without tuition.

**Popular Mechanics Magazine**

"WRITTEN SO YOU CAN UNDERSTAND IT"  
A GREAT Continued Story of the World's Progress which you may begin reading at any time, and which will hold your interest forever. You are living in the best year, of the most wonderful age, of what is doubtless the greatest world in the universe. A resident of Mars would gladly pay—

**\$1,000 FOR ONE YEAR'S SUBSCRIPTION**  
to this magazine in order to keep informed of our progress in Engineering and Mechanics. Are you reading it? Two millions of your neighbors are, and it is the favorite magazine in thousands of the best American homes. It appeals to all classes—old and young—men and women.  
The "Rapid Notes" Department (20 pages) gives easy ways to do things—how to make useful articles for home and shop, repairs, etc.  
"Amateur Mechanics" (10 pages) tells how to make Mission furniture, wireless outfits, boats, wagons, magic, and all the things a boy loves.
