PORTLAND NEWS LETTER

Rose Festival Programme Is Announced

Portland, Ore., March 17.—Special—The management of the 1914 Rose Festival has announced the program for the four days to be given over to this event, as follows:

Tuesday, June 9, Noon: Arrival of Rex Oregonus on the Royal Barge, also the coming of the Queen of the Carnival with a royal escort, and the formal opening of the Festival.

Wednesday, June 10: Great decorated automobile and vehicle parade. Grand Festival charity ball at night.

Thursday, June 11: The Human Rosebud Parade, on the East Side.

Friday, June 12, afternoon: Civic, fraternal, military and industrial parade. City and state will be asked to declare a public holiday for this event.

Friday night: Historical electric parade showing events from the earliest times in Oregon down to the opening of the Panama Canal.

In addition to the above main events, there will be held the annual competitive exhibit of the Portland Rose Society at the Central Library, a special rose show on the Peninsula, the international balloon meet and a number of other less important events.

Reports of the four banks of Medford for the first months of 1914 show an increase of 17 per cent in total deposits over the last quarter of 1913. Total deposits on March 4 were \$2,870,917, an increase of \$326,475 over the amount shown Dec. 31, 1913. The outlook for future business is extremely good.

According to C C Colt, president of the Union Meat Co, of Portland, Oregon is becoming noted as hog and sheep raising state. Since 1912 no hogs have been shipped to the Portland stock yards from other states, the entire supply being drawn from Oregon. The absence of corn, which has always been considered indispensable to the finishing of good pork, has not troubled the Oregon farmer, as a combination of alfalfa, barley and other grains has been found an excellent substitute. Farmer Smith, of the O W R and N Ry, insists that within ten years Oregon will be one of the greatest corn producing states in the Union and that the state will then be a heavy exporter of hog products.

Ontario will hold a corn carnival early next Fall at which prizes will be awarded to the farmers growing the best individual ears of corn and also to those raising the largest number of bushels per acre. The carnival will be under the direction of the Ontario Commercial Club and the Malheur County Grange. It is expected that at least 200 farmers will enter the contest.
