## WHAT WILL HAPPEN IN MEXICO?

Will the forces of Huerta salute our flag or will they refuse to acquiesce to the demands of the United States. Then the fleet will pass in review of the concourse assembled and quietly turn round and sail back home. While we will not all be able to witness such a spectacle of splendor, still we should take advantage of our opportunities and witness some of the magnificent pieces of silks and crepe de cygne that Jas. Muckle & Son have on display. You may view this exhibit without any expense or danger and it will be well worth your while for these goods would be priced at 1.50 anywhere. Our price is 1.00 per yd.
