PETERSON'S CASH STORE

SOLVING THE LOW COST OF BUYING

Everybody is talking about the high cost of living, and racking their brain for a solution.

That's easy. All you have to do is to solve the "Low Cost of Buying." Study carefully the Quality and the Price before you part with your money, for the one is essential as the other. A few pennies saved on each article used by the average family would amount to a considerable sum in the run of a year. It reduces the cost of living.

We have solved the "Low Cost of Buying" from the manufacturer, and you will solve it when you come to us, for we are slicing off the pennies for you which the manufacturer had to slice off for us.

Meet us face to face and you will go home with a smile. Try our Bourbon Santos Coffee. Excellent Cup Quality. Special—25c lb.
