

CORRESPONDENCE

SCAPPOOSE

Mr. and Mrs. C. L. Hatfield spent the week end with Prof. and Mrs. Chas. Barker, near Beaverton. They had the opportunity to hear Rev. Upshaw's sermon Sunday morning. Mr. Upshaw was the local pastor at Scappoose a few years ago.

Guy Whitney is at home again from the Fishhawk logging camp. Guy came near losing his head a couple of times, and as he considers his head too valuable to have knocked off, he left camp while he was able to move.

Mr. and Mrs. John Gilstrap and son, and Miss Ellarce Butler motored from Portland Sunday and spent the day with the M. J. Butler family.

The Community Club began some improvement work in the manner of repairing sidewalks that were burnt out during the fire. We walked over it and pronounced it a good job and silently said amen.

W. J. Fullerton was in town last Monday, calling on friends.

Eight gallons of maple syrup, right from the Ohio trees, was received by this correspondent on Tuesday. We just mention it to make some of you think of home.

News was received by relatives here, of an accident in a logging camp which caused the death of Frank Vandermost. The Vandermost family lived here for years and the children grew up among our young folks and have many friends who sympathize with the bereaved parents and brothers and sisters.

Rev. Johnston preached a splendid baccalaureate sermon to the graduating class Sunday night. The church was tastefully decorated for the occasion and special music rendered by the choir. The church was filled to its fullest capacity and some turned away. They missed something good.

Mrs. Jack Payne came from Portland Wednesday to visit her daughter Gladys, who is attending school here. The eighth grade, with the exception of three, passed their examination creditably. The three failed in two studies each and will try again in June.

The high school gave a party at the school house last Friday night, in honor of the senior class. Games and refreshments were indulged in until the midnight hour.

T. S. White, of Houlton, Mr. Mettaker, superintendent, and Mrs. Allen and Mrs. Deming, of St. Helens, attended our school May Day exercises, which were a success in every way. The queen, Miss Irene Stollenberg, looked beautiful and stately, as a queen should be. Miss Irene is a senior and is popular among the students. The usual form was followed out in the same beautiful manner. The songs were pretty and well rendered. The children in Miss Taylor's room, second and third grades, gave a good calisthenic drill that deserves special mention. It was much appreciated for it is the kind of work that is especially needed for our children.

Mr. Fowler, Wait Price and Ray Holland went to Eugene Saturday to attend the state high school sports. Mr. Fowler finds difficulty in speaking out since returning.

One day last week, while Mrs. Tidcombe was taking an afternoon nap, a huzlar played a trick on her vicious dogs and in some way got them outside the gate, then slipped through and shut the gate. He then broke into the house and helped himself. Mrs. Tidcombe was awakened and thought her husband had returned, and when she went to the kitchen she found the tramp at the table eating. He was ordered to go, and he went.

G. B. Milloy was called to Lafayette Sunday to attend the funeral of his grandmother, Mrs. Caroline E. Watts, who died Friday at Newberg. Mrs. Jessie Silver, of Portland, is spending the week with her old-time Eastern schoolmate, Mrs. B. Scott.

Friends of Mrs. Emma Smith will be interested to learn that she was united in marriage to Mr. Allen Harrison, of St. Helens, on Monday, the 15th, in Portland. They started to Frisco Monday evening on a honeymoon journey. Congratulations from Scappoose.

James Pomeroy is wearing the funniest little grin since Sunday. It puzzled everybody to understand that uncommon expression that led us to believe he knew something he wanted to tell. We have just learned that there is a fine new boy at his house that weighs 9 1/2 pounds that he calls "Sonnie." He will have another name soon.

Dix Holaday spent the week end at home, returning to Vancouver on Saturday night. Mr. Purcell spent all day in Portland Tuesday, looking after business. He West has returned from New York, arriving in our city Tuesday.

Mr. and Mrs. D. Crowley, Mr. and Mrs. R. Niblock and Mr. and Mrs. J. G. Watts motored to Portland Saturday night to see the "Birth of a Nation."

WEST ST. HELENS

We are glad to report that Tommy Kiblan, son of A. T. Kiblan, of West St. Helens, who was injured at the track meet last week at Rainier, has fully recovered. How he escaped with his life is a wonder, being struck with a sixteen-pound shot which was being used in the contest.

Dale Perry, our crack athlete, captured a gold medal, also a bronze one, at the Eugene track meet last week.

Prof. Brehaut and wife were Portland visitors Saturday and Sunday. It is rumored that Prof. Brehaut may have a position in the city of Portland for the coming school year. It will be a serious loss to this school if the professor decides to accept a position in Portland. The refusal of the school board to employ sufficient number of teachers is the cause of his dissatisfaction.

School closes Friday, May 19. A concert will be given at the Tabernacle on Thursday evening, the proceeds to be applied to the purchase of a suitable flag for our school house.

Earl Bennett, after a week's illness caused by a severe attack of tonsillitis, is again behind the counter at Perry & Graham's store.

It is rumored that we are to have a change at the West St. Helens bakery, or possibly a discontinuance of the business. Our new bakery firm has made many friends, and the product of the bakery put on the market has been most excellent. We can ill afford to see the business close up.

Steps are being taken looking toward a resident physician and the establishment of an up to date drug store in West St. Helens.

The pastor of the M. E. Church, who has not fully recovered from the attack of grip had in the winter, was taken with a severe attack of heart failure on Sunday, and was not able to meet his appointment at Warren at night. "Dad" Hazen drove up to Warren and notified the congregation.

Sunday was an off day for West St. Helens. Two accidents, both of which might have been more serious, happened. About 10 a. m. Avery Gensman, while riding his motorcycle, collided with an auto driven by a party from St. Helens, just in front of the post office. The motorcycle was damaged somewhat and Avery sports a very lame foot. Later in the day, while driving his team near Scappoose, Chas. Graham had a smash up and runaway. An auto dashed up and went by, frightening the team. In an attempt to quiet them one of the lines gave way, causing the team to become unmanageable. T. F. Robertson, who was riding on the front seat with Mr. Graham, assisted in trying to stop the team, with the result of running them into a wire fence. Mr. Robertson is quite lame and Mr. Bezel, who was in the back seat, received some bruises. Mrs. Bezel, holding a young baby in her arms, was thrown out but fortunately neither she nor the baby were injured. Team and rig were practically uninjured.

Rev. J. N. Wood, who has served the F. M. Church at this place for the last three years, has been appointed to Forest Grove by Bishop Hogue, who held the session of the F. M. Church conference at Portland, which closed Monday, the 15th. The best wishes of his many friends will follow Mr. Wood and his family to their new home.

STILL IN BUSINESS

St. Helens, Ore., May 15, 1916. For some unknown reason to me the Columbia Herald stated in its last issue that I had gone out of business. The Herald editor was either misinformed or got his wires crossed, for I am still in business and haven't any intentions of going out of business. It is, however, a fact that Charles White and I have dissolved partnership; but I wish to say to the people of St. Helens and surrounding country that I am in a position to buy and pay cash for all the best pork, mutton, veal, and poultry that I can get. Thanking them for past patronage, I hope, by fair dealing, I will continue to hold the respect and confidence of the public. GEO. WILSON.
