One of the men who fired the forests got his last week in the federal court. Elmer Costello set fire in the Siskiyou national forest in southeastern Oregon, and was sentenced to 30 days in jail. Costello confessed that while he was employed by the forest service in fighting fires, he himself set fire to timber and undergrowth in the forest. He got off too easy. The maximum penalty is $5,000 or imprisonment for not more than two years.

The assessor of an Oregon county may assess fire patrol taxes against timber owners if the county court hands him the assessment lists, even though the court may not give him an official order to do so. This is an opinion given by Attorney General Brown on request of State Forester F. A. Elliott. The tax collector, however, may collect the regular taxes and leave the fire patrol assessment as a charge against the timber owner if he chooses to do so.

Mr. and Mrs. N. Schears have arrived from northern Minnesota, and after looking up the advantages of St. Helens have bought the Bramble place near West St. Helens. The place contains about five acres of very fine land and Mr. Schears intends to make much improvement on it. He will first build a nice residence. As soon as this is completed the other members of his family will come to St. Helens.

PROGRESSIVENESS

Eat lots of Fruit.

It is cheaper to buy wholesome fruits than it is to pay doctor bills. A sweet, juicy Orange or a slice of Luscious Pineapple is more pleasant to "take" than a dose of calomel.

Eat Fruit and avoid irritating, weakening purgative medicines.

Fruits are nourishing, too, and easy to digest. It is absolutely necessary to eat them to "carry off" heavy meats. Our Fruits are always the "choicest."
