**INDUSTRIAL REVIEW**

Salem—Cost of state experimental farms is becoming a big item. Each county wants one. Someone has a piece of land to sell the state. Then there are educated people who want state job.  
Ten Mile, Coos county, logging plant opens operations to run four cuts.  
Cottage Grove men would establish broccoli industry.  
Baker county is erecting fifteen steel bridges.  
Mcroe getting a \$2,000 grain warehouse.  
Boardman—A new eastern Oregon city with a promising future.  
Lin county will pave 200 miles city highways in five years.  
The S. P. Co. spends eleven million building a railroad to Coos Bay. Its forest reserves return \$78,000 to the state for roads. The \$78,000 probably cost the state \$780,000.  
Pahley to use native stone for new school building.  
Sutherlin—One hundred persons employed at fruit evaporating plant.  
Oregon City—Star theatre will cost \$30,000 playhouse.  
Roseburg—Two Portland firms are bids on the Kendall railroad.  
Gold Hill News: "Whenever we see a great national strike, be it railroad or otherwise, the common people are always the goats and their hats of distress are consistently injured by both sides.  
Bandon Western World: Coos county tax collections increased from \$4 to \$15 from \$110,289 to \$9,527, 309 per cent. State taxes increased from \$20,807 to \$99,951 in 1915. For 1914 state taxes went up to \$65,675, and in 1915 to \$4,364.  
Work on Sutherlin, Coos Bay & Astoria railroad resumed.  
Portland—Auton Huth, Tacoma, erect five-story building here.  
Leas gets \$8,000 business building 85 by 90 feet.  
Portland—American Can Co. taking bids on \$250,000 factory on Railroad avenue.  
Milwaukie—Clackamas highway to be paved.  
There was but one bidder for the franchise over the interstate bridge.  
Vancouver—the P. R. L. & Co. traction company is not offering much owing to jitney competition.  
Marshfield—Boulder Creek Mining Co. erecting a sawmill.  
Bend creamery will erect modern building.  
The lumber mills in Baker are running full blast and payrolls run into many thousands of dollars monthly.  
Portland shipyards have orders for more steel vessels.  
Myrtle Creek voted \$21,000 bonds to provide light and water system.  
Detroit, Mich., milk condensery wishes to locate plant in Oregon.  
Keaton—Swift packing interests pending \$150,000 on packing plant.  
Gold Hill—Dave Good picked up ounce gold nugget.  
With the increasing wave of experiments in initiative legislation in recent years, the tendency has grown to knife nearly every such measure to the polls.  
Astoria—Pay increases affecting nearly 600 men in the employ of the North Bank system are announced. The increases ranging from 5 to 10 per cent of former salary allowances, effective for August.  
Albany Herald: After giving their hearty sympathy to the railroad men in their fight for an eight-hour day, millions of our housewives would probably be pleased to see their hours reduced to twelve.  
CAPT. JAHNSEN BURIED  
San Francisco papers tell of the burial of the late Captain Edward Jahnson in that city on Saturday last. The funeral was conducted by the Knights Templars, of which he was a member, and also by the Master Mariners' Association of San Francisco. Many friends were present to pay their respects to the departed mariner.
