

HIGH SCHOOL NOTES

Lester Lake, when asked by the St. Helens High School football team if the freshmen were allowed to wear the new high school caps, very emphatically said "No." He was then told that June Moorhead, a freshman, had one of these caps. Lester suddenly decided that the freshmen girls would be allowed to wear them.

The high school football team will meet Rainier next Saturday, and it will be a fight to the finish. If you want to see a real football game with lots of pep, come and see this one. The lineup for St. Helens will probably be as follows: Howell, right end; Walker, right tackle; Wilson, right guard; Dixon or Isblister, center; Smith or Gage, left guard; Perry or Harrison, left tackle; Beeler, left end; Stanwood, quarter; Faxon, left half; Decker, fullback, and Lake, right half. The line will average about 160 pounds and the back field 135. Yell Leader Adams has been having yell practices and she has proved beyond a doubt that she is a good yell leader.

Look for the high school parade Friday night.

A number of high school students applied to Mr. Knight the other day to start a poultry class, as they are greatly interested in chickens.

The Mist.

Gentlemen: I have enjoyed looking over the many features of the Industrial Edition of the Mist. It seems to me to be about the best number issued in your section for many years. The paper is well printed, the illustrations coming out clearly, the advertising patronage is representative, giving conspicuously important facts concerning the industrial development of the country, and the text throughout is interesting. There are so many useful references in this number that I am going to put it away in the files for future reference.

The public scarcely appreciates the amount of labor and expense that such a fine publication entails.

I am sure that the stranger receiving a copy of this paper cannot fail to be impressed with the enterprise of the people of St. Helens and the resources of the country.

Yours truly,
D. C. FREEMAN,
Advertising Agent.

CHURCH NOTICES

Congregational Church
10 a. m.—Bible school.

11:00—Morning worship. Theme: "The Supreme Test of the Christian." Mat. 5:10.

PORTLAND MARKET

Cattle—Monday's cattle market opened with another large number of 1,600 head. There was a large offering of inferior quality steers and cows in the run, although there were a number of loads of good quality stuff here. There were a few loads of prime steers sold at \$7.25, with other loads from \$6.25 to \$7. Inferior quality steers rather slow demand, although prices held steady on this class of stuff. Cow stuff scored another advance today of 10 to 25 cents. A few prime heifers brought \$6 and a few cows \$5.75. The bulk of prime cows sold at \$5.50 to \$5.60, with inferior grades as high as \$5. Bulls were in good demand at slightly higher prices, although there were no real fat bulls in the trade, the best brought \$4.25. Prime light calves sold 50 cents higher, bringing \$8, although a few were sold from \$6.50 to \$7. Trading in the stockers and feeders division was limited to a few loads, prices ranging from \$3 to \$5.75.

Hogs—A moderate run of hogs was here Monday. Prices were 10 to 15 cents higher over last week's close. Tops sold at \$9.75, bulk going at \$9.60 to \$9.70.

Sheep—Sheep market is firm, with unchanged prices. Some fairly good yearlings here Monday that were taken at \$7.40. Demand was good although there was hardly enough offered to start packers. A bunch of fair lambs brought \$8.20. Outside of this only a few sales were made. Prime sheep of all grades remain in demand at higher prices.

TO THE ELECTORS OF COLUMBIA COUNTY

J. W. HUNT.

I respectfully announce my candidacy for the office of County Treasurer. If elected, I will perform the duties of the office to the best of my ability. I will appreciate your support. (Paid Adv.)

NOTICE

Notice is hereby given that the County Roadmaster has filed in this office his Certificate of Completion of the following contract:

Furnishing rock and screenings on Portland Road, in Road District No. 1, from Multnomah County line to Scappoose, Glen E. Kibbe, contractor.

All protests against the acceptance of this contract must be filed in the office of the County Clerk, within two weeks of the date of the first publication hereof.

Date of first publication, October 13, 1916.

A. F. BARNETT,
County Clerk.

Spuds are in great demand, A. S. Harrison having an inquiry from Santa Cruz, Cal., for 10,000 sacks. He has contracted for most of them.

Pendleton Normal School
Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 785, largest on record for state Normal in Oregon . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.
The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:

"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:

"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.

308 X YES IS A VOTE FOR YOUR CHILDREN
